

**Justification of a Nonmaterial Change
CMS-367, OCN 0938-0578**

The Medicaid Drug Rebate Program - Manufacturers and Supporting Regulation at 42 CFR 447.534 was approved by OMB on November 5, 2010 under OCN 0938-0578 through November 30, 2013. The purpose of this justification is to seek OMB review/approval of a nonmaterial change that corrects a typographical error regarding the cost to respondents. The 2010 Supporting Statement provided the correct cost, but the cost was incorrectly entered in Form 83 part II.

In this regard:

The correct Requested cost should read:	\$8,240,640
The correct cost under Adjustment in OPDIV Estimate should read:	0
The correct cost under OPDIV Discretion should read:	\$1,857,040
