

## 2013 EHR Downloadable Resource Tables Release Notes

---

*March 2012*

The 2013 Electronic Health Record (EHR) Downloadable Resource Tables Release Notes details a complete list of revisions made since the release of the 2012 EHR Downloadable Resource Tables v3.1. The updates listed in the 2013 EHR Downloadable Resource Tables v4.0 have also been applied to the 2013 EHR Measure Specifications v4.0, when applicable. Although codes have been added or deleted from specific tabs in the Downloadable Resource Tables, codes may continue to be valid for the 2013 EHR measures, and may be listed on other applicable tabs. Refer to the 2013 EHR Downloadable Resource Tables v4.0, for a complete list of codes and related information pertaining to each of the 2013 EHR Measures.

The document titled *2013 EHR Downloadable Resource Table* lists all clinical codes by measure. The document titled *2013 EHR Downloadable Resource Table – Other Resource Codes* lists all other reference tables. The *2013 EHR Measure Specifications* and *QRDA Data Submission Specifications* reference tables in the *2013 EHR Downloadable Resource Table* as well as the *2013 EHR Downloadable Resource Table – Other Resource Codes* documents.

Please note that a subset of the 2013 EHR Measure Specifications are available for use in the Physician Quality Reporting System-Medicare Electronic Health Record (EHR) Incentive Pilot. These 44 measures are identified in the table of contents of the 2013 EHR Measure Specifications as HITECH Core Clinical Quality Measures (HITECH CORE), HITECH Alternate Core Clinical Quality Measures (HITECH ALT CORE), and HITECH Additional Clinical Quality Measures (HITECH). Please refer to related documents regarding participation in the Physician Quality Reporting System-Medicare Electronic Health Record (EHR) Incentive Pilot posted on the Centers for Medicare & Medicaid Services (CMS) website.
