Dear NAME:

Thank you once again for your participation in our study assessing the satisfaction of past participants involved in Site-Specific Riparian Assistance offered by the National Riparian Service Team (NRST) as part of their "Creeks and Communities Strategy". Your insights are valuable, and will help us provide feedback to NRST members that we hope will inform their efforts to continually improve their program offerings.

If you have any questions about the study, please feel free to contact me at 541-737-1222 or gosnellh@geo.oregonstate.edu.

Sincerely,

Hannah Gosnell
Assistant Professor
