

## FOCUS GROUP QUESTIONS FOR FARM BILL CONSERVATION SERVICE DELIVERY

---

- Let's find out some more about each other by going around the table. Tell us your names and what crops you currently grow on your farm.
- What do you enjoy about farming?
- Think back to when you first learned about Farm Bill conservation programs, such as CRP. What were your first impressions?
- How have your impressions changed over the years? Or, have they changed over the years?
- Nominal group exercise on Farm Bill program strength and weaknesses (attached)
- If you had a chance to give advice to the director of Farm Bill programs, what advice would you give?
- We want you to help us evaluate the Farm Bill conservation programs. We want to know how to improve the programs and what difference the service makes to farmers. Is there anything that we missed? Is there anything that you came wanting to say that you didn't get a chance to say?
