

Note to Reviewer of 1220-0168

OMB approved this collection on August 18, 2009, with the following terms of clearance.

“TERMS OF CLEARANCE: This collection is approved with the same terms of clearance as the previous clearance: BLS has agreed to do the following: 1) if BLS is sending written requests to States under this clearance, the OMB control number and expiration date will be displayed somewhere on the request; and 2) if BLS makes an inquiry to more than nine States and estimates the response burden per State to be more than two hours, a copy of that inquiry will be forwarded to DMS, who will forward it to OMB. Inquiries that do not meet these criteria will not have to be forwarded to DMS or OMB.”

BLS has adhered to these terms of clearance.

- 1) The OMB control number is included on requests.
- 2) No inquiries have been made during this time frame to more than nine states with a response burden per State of more than two hours.
