U.S. Citizenship and Immigration Services

Agency Information Collection Activities: New Information  
Collection; Comment Request

ACTION: 30-Day Notice of Information Collection Under Review: OMB 65,  
Secondary Inspections Tool; OMB Control No. 1615--New.

---

The Department of Homeland Security, U.S. Citizenship and Immigration Services (USCIS) will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. The information collection was previously published in the Federal Register on May 13, 2011, at 76 FR 28057, allowing for a 60-day public comment period. USCIS did not receive any comments.

The purpose of this notice is to allow an additional 30 days for public comments. Comments are encouraged and will be accepted until August 26, 2011. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Department of Homeland Security (DHS), and to the Office of Management and Budget (OMB) USCIS Desk Officer. Comments may be submitted to: USCIS, Chief, Regulatory Products Division, Office of the Executive Secretariat, 20 Massachusetts Avenue, Washington, DC 20529-2020. Comments may also be submitted to DHS via facsimile to 202-272-0997 or via e-mail at [USCISFRComment@dhs.gov](mailto:USCISFRComment@dhs.gov), and to the OMB USCIS Desk Officer via facsimile at 202-395-5806 or via e-mail at [oir\\_submission@omb.eop.gov](mailto:oir_submission@omb.eop.gov). When submitting comments by e-mail please make sure to add OMB 65, Secondary Inspections Tool in the subject box. Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

#### Overview of This Information Collection

- (1) Type of Information Collection: New information collection.
- (2) Title of the Form/Collection: Secondary Inspections Tool.

(4) Affected public who will be asked or required to respond, as well as a brief abstract: Primary: Individuals or households. The Secondary Inspections Tool (SIT) is an Internet-based tool that processes, displays, and retrieves biometric and biographic data from the Automated Biometric Identification System (IDENT) within the US-Visitor and Immigrant Status Indicator Technology (US-VISIT) system. USCIS trained staff in USCIS District/Field Offices will be instructed to use SIT at the time of a required interview in connection with an immigration or naturalization benefit request, or at the time of an individual's appearance at a USCIS District/Field Office to receive a document evidencing an immigration benefit, each instance following a required appearance at an Application Support Center (ASC) for fingerprinting. This information collection is necessary for USCIS to collect and process the required biometric and biographic data from an applicant, petitioner, sponsor, beneficiary, or other individual residing in the United States.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: 1,622,176 responses at 5 minutes (.083 hours) per response.

(6) An estimate of the total public burden (in hours) associated with the collection: 134,641 annual burden hours.
