Check with the state where you reside, or are doing business, to determine whether you are required to file this form.

1. Type or print clearly using black ink. Keep all information within the area provided.

If extra space is needed to answer any question, attach an additional sheet(s) of paper. You must provide the following information on the top of each sheet of paper:

- A. Your A-Number;
- B. The date;
- C. Question number ; **and**
- D. Your signature.

2. Answer all questions fully and accurately. Write “N/A” if an item is not applicable. Write “None” if the answer is none.

3. Avoid highlighting, crossing out, or writing outside the area provided for a response.

If you must make substantial changes your Form N-300, USCIS recommends that you begin with a new Form N-300 rather than using correction tape or fluid to white out information. USCIS scanners may see through the white correction tape or fluid. This may lead to incorrect information being captured in USCIS systems on the form which may cause processing delays or rejection (not acceptance) of your Form N-300.

Ensure that you are using the correct edition of the Form N-300. The correct edition is available on the USCIS Web site at www.uscis.gov.

4. Provide your A-Number on the top right hand corner of each page. Your A-Number is located on your Permanent Resident Card (formerly known as the Alien Registration or “Green” Card). The A-Number on your card consists of

If the A-Number on your card has fewer than nine numbers, place enough zeros before the first number to make a <i>total of nine numbers</i> on Form N-300.
