### Privacy Act Notice

**DHS Authority to Collect This Information:** The Homeland Security Act of 2002 (Public Law 107-296, §302(4)) authorizes the Science and Technology Directorate to conduct "basic and applied research, development, demonstration, testing, and evaluation activities that are relevant to any or all elements of the Department, through both intramural and extramural programs." In exercising its responsibility under the Homeland Security Act, S&T is authorized to collect information, as appropriate, to support R&D related to improving the security of the homeland.

**Principal Purpose:** DHS collects name, organization and title (if any), email address, home and/or work address, and telephone numbers for the purpose of contacting individuals regarding the PREDICT project and/or their involvement with PREDICT. When using the PREDICT portal, your IP address, user name, browser type, and access times will be collected for the purpose of conducting research about your opinion of current services or of potential new services that may be offered, or facilitating the operation of the PREDICT service, or maintaining quality of the service, or providing general statistics regarding use of the PREDICT Web site.

**Routine Uses and Sharing:** Some of your information will be disclosed to PREDICT team members, such as data hosts, data providers, PREDICT contractors, the Predict Coordinating Center, the advisory board, and review board members to help us deliver requested PREDICT services and operate the PREDICT Web site and deliver the services you have requested. Unless you consent otherwise, this information will not be used for any purpose other than those stated above. However, DHS may release this information for an individual on a case-by-case basis as described in the DHS/ALL-002 System of Records Notice (SORN), which can be found at: [www.dhs.gov/privacy](http://www.dhs.gov/privacy).

**Disclosure:** Furnishing this information is entirely voluntary; however, failure to furnish at least the minimum information required to register (to include full name and email address,) will prevent you from obtaining authorization to access system.

**PRA Burden Statement:** An agency may not conduct or sponsor an information collection and a person is not required to respond to this information collection unless it displays a current valid OMB control number and an expiration date. The control number for this collection is 1640-0012 and this form will expire on 12/31/2013. The estimated average time to complete this form is 15 minutes per respondent. If you have any comments regarding the burden estimate you can write to Department of Homeland Security, Science and Technology Directorate, Washington, DC 20528.
