Section II – Definitions

Participant — An eligible postsecondary **student** receiving CCAMPIS Program funded services. To be eligible to receive CCAMPIS Program funded services, a postsecondary student must be “eligible to receive a Federal Pell Grant for the fiscal year for which the determination is made.” See Section 419N (b)(7) of the *HEOA of 2008*. A **participant** is the Pell-eligible parent(s) of those children to whom you provide child care services. If you use CCAMPIS funds to pay salaries of child care providers/instructors, a **participant** is the Pell-eligible parent(s) of those children in the class(es) of the child care providers/instructors paid with CCAMPIS funds (Do not count as a **participant** those parent(s) who are not Pell-eligible.)

As a result of the Higher Education Opportunity Act of 2008 (HEOA), students enrolled in a graduate or first professional course of study and students in the United States for a temporary purpose are eligible to receive the benefits of CCAMPIS-supported projects. (See HEOA, Sec. 410(7)(B)(i) and (ii)).

Participant ID — The participant ID is the college or university identification number (NOT SOCIAL SECURITY NUMBERS) used at the institution to uniquely identify each participant. Use the same number for each participant each time he/she is reported (example: a student assigned as Participant ID #0678 must be reported as Participant ID #0678 on subsequent annual reports).
