

There is an error on this previous worksheet.

185264.80 was reported for reporting and record keeping giving a total 370530.00, where it should have been 71701.00 for reporting and 13563.80 for record keeping giving a total of 185264.80.

Therefore, instead of the Annual IC Time Burden being 370530.00, previously approved, that number should be 185264.00.

We are providing this explanation to the public since we are unable to make any adjustment in an already concluded ICR.
