# 2012 Customer Satisfaction Survey

How has the United States Office of Personnel Management Served You?

a New Day for Federal Service

### A Message from the Associate Director of Retirement Services

Dear Friend:

The U.S. Office of Personnel Management serves over 2.5 million Federal annuitants and survivor annuitants. We work to provide high quality retirement benefit services to you, our customers. You earned these benefits by serving your country, and we must provide services that match the commitment you made to public service.

This survey collects feedback on satisfaction with our retirement program products and services. You were selected from a random sample of Federal annuitants and survivor annuitants. Your participation is voluntary, and any information you provide will be kept confidential. This information will help us determine areas that need improvement.

We will report the survey results to the President and Congress so they can assess how we are doing on meeting our goals and carrying out our mission: Recruiting, Retaining, and Honoring a World-Class Workforce to Serve the American People. One way we do this is by maintaining a world-class benefits program. Your participation in this survey will help us build the workforce. This means you continue to serve your country, and for that, we thank you.

Sincerely,

/ Alto Zausan Jr.

Kenneth J. Zawodny, Jr. Associate Director Retirement Services

### U.S. Office of Personnel Management Retirement Services FY 2012 Customer Satisfaction Survey

#### **Purpose of this Survey**

Every year the Office of Personnel Management (OPM) sets new goals for improving the retirement services we provide to Federal annuitants. To reflect how well we meet these goals, our survey focuses on retirees who had a transaction with us during the last year (*from October 1, 2011*). This includes *Long-Time Retirees* (*retired before October 1, 2011*) who contacted us for service regarding their retirement accounts, and *New Retirees* (*retired on or after October 1, 2011*) who initially applied for retirement benefits or contacted us for service regarding their new accounts.

#### Instructions

Please read the instructions carefully. Respond directly in the survey booklet, using pen or pencil. If you wish to change a response, erase it or cross it out. Some questions may not pertain to you; please mark these with the "No Basis to Judge" response. For most of the questions, you will mark only one response, but a few questions noted as "Mark ALL that apply" allow for multiple responses. The last section of this survey is for *New Retirees; Long-Time Retirees* should not answer questions in the last section. If you wish to make written comments for any question, space is provided at Question 44, page 10.

Please return the completed questionnaire in the postage-paid envelope within 14 days to:

### Frequently asked questions about the Customer Satisfaction Survey

#### What is the cost of doing the survey?

Printing and mail/return postage costs about \$3,000. This is mostly a one-person task, with a GS-13 program analyst devoting about ten percent of annual staff hours to producing the survey and analyzing the results.

#### Why can't the survey be taken on-line via the OPM web site?

We know from one of the survey questions that about 64 percent of our customers use the internet. We do not want to exclude the considerable number of non-internet users from the survey. To keep it simple, we rely on one method, a mailed survey. The percentage of internet users grows each year; in the near future we plan to do this survey completely online.

#### How is the validity of the survey results assured?

The survey results are subject to random audits by OPM's Office of the Inspector General.

#### **Public Burden Statement**

We estimate providing this information takes an average 25 minutes per survey, including the time for reviewing instructions, getting the needed data, and reviewing the requested information. Send comments regarding our estimate or any other aspect of this survey, including suggestions for reducing completion time, to the U.S. Office of Personnel Management, Retirement Services Publications Team (3206-0236), Washington, DC 20415-3430. The OMB Number, 3206-0236, is currently valid. OPM may not collect information, and you are not required to respond, unless this number is displayed.

#### **Privacy Act Statement**

In accordance with Public Law 93-579 (Privacy Act of 1974), the providing of personal information is completely voluntary. Collection of this information is authorized by Sections 1002, 3301, and 3304 of Title 5, U.S. Code.

Your responses to this survey are voluntary and there is no penalty for not responding. However, maximum participation is encouraged so that the data will be complete and representative.

The principal purpose in collecting this information is to study and report attitudes and perceptions of Federal annuitants regarding the retirement services provided to them by the U.S. Office of Personnel Management (OPM). Your responses will be used to improve these services.

Only OPM staff involved in collecting or preparing this information for analysis will have access to completed surveys. The information you provide will be analyzed and reported for the whole Federal annuitant population.

In any public release of survey results, no data will be disclosed that could be used to identify specific individuals and your individual responses will be treated confidentially.
