INTRODUCTION

Thank you for taking part in our web survey for the Community Eligibility Option Evaluation. Abt Associates has been hired by the Food and Nutrition Service of the U.S. Department of Agriculture to conduct an evaluation of the Community Eligibility Option, a new system of reimbursement for the National School Lunch Program and School Breakfast Program. Below are a few links that will provide you with detailed information about this evaluation and the survey. They include a fact sheet about the Community Eligibility Option Evaluation, the advance email sent to respondents describing details about this survey, and a worksheet that describes information you will need to collect in order to complete this survey. **To complete this survey, you will need to access your revenue records from school year 2009-2010 to the present – see details under worksheet link below.**

Please note, if you cannot complete the survey in one sitting, you can save it and complete it at a later date. This survey will take about 75 minutes to complete.
