

**Appendix H:**  
**Telephone Screener**

NOTIFICATION TO RESPONDENT OF ESTIMATED BURDEN

Public reporting burden for this collection of information is estimated to average 2 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

*“Thank you for your interest in the research study. The purpose of the Solar Cell study is to design a smart phone application, which uses smart phone technology to aid users in protecting their skin from damaging ultraviolet radiation (UV) in sunlight, a primary cause of skin cancer.*

*To see if you might qualify for this study, I need to ask you some questions. You do not have to answer any questions you do not want to answer”.*

**Screening Questions:**

Do you own an Android smart phone?

\_\_\_\_\_ <<If no, discontinue. If yes, continue.>>

Would you be willing to download and install and application on your smartphone and use it for three months?

\_\_\_\_\_ <<If no, discontinue. If yes, continue.>>
