

CMS Medicare Beneficiary and Family Centered Care Satisfaction Survey Revision Crosswalk

Question Number		Original Wording	Revision for Complaint Beneficiaries	Revision for Appeal Beneficiaries	Rationale for Revision
Original	Revised				
Q1	Q1	Our records show that on [DATE] you filed [a complaint about the quality of care you or another person received under Medicare / an appeal about your or another person’s Medicare benefits]. Is that right?	Our records show that on [DATE] you filed a complaint about the quality of care you or another person received under Medicare. Is that right?	Our records show that on [DATE] you filed an appeal about your or another person’s Medicare benefits. Is that right?	<ul style="list-style-type: none"> No change – shown with 2 variations (complaint and appeal)
Intro to Q2	Intro to Q2	The questions in this survey will refer to the [Medicare quality of care complaint that you filed on the date shown in Question 1 as “your quality of care complaint” / Medicare benefits appeal that you filed on the date shown in Question 1 as “your appeal”].	The questions in this survey will refer to the Medicare quality of care complaint that you filed on [DATE] as “your quality of care complaint”.	The questions in this survey will refer to the Medicare benefits appeal that you filed on [DATE] as “your appeal”.	<ul style="list-style-type: none"> Simplified language
Q2	Q2	Have you gotten a resolution on your quality of care complaint / appeal? If No, please return the survey in the postage-paid envelope.	Have you gotten a resolution on received the results or findings in response to your quality of care complaint. If No, please return the survey in the postage-paid envelope go to #4.	Have you gotten a resolution on received the results or findings in response to your appeal? If No, please return the survey in the postage-paid envelope go to #4.	<ul style="list-style-type: none"> Improved specificity of question Based on cognitive testing findings, respondent could describe their experience even if they didn’t report having final findings of their case
Q3	Q3	How satisfied are you with the resolution of your [quality	How satisfied are you with the resolution of results or	How satisfied are you with the resolution of results or	<ul style="list-style-type: none"> Improved specificity of question

		of care complaint / appeal]?	findings in response to your quality of care complaint?	findings in response to your appeal?	
Q4	Q4	Please give us your comments on the resolution of your [quality of care complaint / appeal].	Please give us your comments on the resolution of results or findings in response to your quality of care complaint and concerns .	Please give us your comments on the resolution of results or findings in response to your appeal.	<ul style="list-style-type: none"> Improved specificity of question
Intro to Q5	Intro to Q5	Interactions with the Intake Specialist The next questions are about the way your [quality of care complaint/appeal] was handled from the start . The questions will refer to the person you first spoke with when you called to file your [quality of care complaint/appeal] as the “Intake Specialist”. The Intake Specialist would have collected the details about your [quality of care complaint/appeal].	Quality of Care Complaint Process These next questions are about the way your quality of care complaint was handled from the start and the process that [QIO NAME], the Quality Improvement Organization (QIO) in your state used to get information and coordinate the steps in the process. The questions will refer to the representative from [QIO NAME], the QIO in your state as the “QIO representative”. You may have spoken to the QIO representative when you filed your quality of care complaint, or in a follow-up conversation after your quality of care complaint was filed.	Appeal Process These next questions are about the way your appeal was handled from the start and the process that [QIO NAME], the Quality Improvement Organization (QIO) in your state used to get information and coordinate the steps in the appeal process. The questions will refer to the representative from [QIO NAME], the QIO in your state as the “QIO representative”. You may have spoken to the QIO representative when you filed your appeal, or in a follow-up conversation after your appeal was filed.	<ul style="list-style-type: none"> Changed reference to QIO representative “from the start” removed based on cognitive testing. Respondent could consider the “start” to be significantly before s/he filed a complaint/appeal
