The screenshot shows the Social Security Administration's "Benefit Application" page for Jane Public. The page has a header with the SSA logo and navigation links for "Text Size" and "Accessibility Help". Below the header is a progress bar with tabs for "Identification", "General", "Other Benefits", "Remarks", "Review & Submit", and "Next Steps". The "Identification" tab is active and highlighted with a green checkmark.

The main content area is titled "Direct Deposit Details for Jane Public" and includes the sub-header "Direct Deposit is Safe, Quick and Convenient". It contains two radio button questions:

- "Do you own or co-own a bank account that you can use for Direct Deposit?" with "Yes" selected.
- "You provided us with an address outside the United States. Would you like to use a bank from a country that participates in International Direct Deposit (IDD)?" with "Yes" selected. A red circle with the number "1" is next to this question.

Below the second question is a "Bank Country" section with a dropdown menu currently set to "-Select-".

On the right side, there is a sidebar titled "In this section..." with a list of sections: "Family Details", "Military Details", "Earnings Details", "When to Start Benefits", "Reduced Benefits", "When to Start Retirement Benefits", and "Direct Deposit Details". The first three sections have green checkmarks, while the others have empty circles.

At the bottom of the form are three buttons: "Next" (highlighted in blue), "Previous", and "Save & Exit".

We incorporated new functionality to identify applicants who indicate having a bank account for direct deposit who provided us with an address outside the United States. We then present a new section (#1) to collect International Direct Deposit (IDD).

If the applicant answers “Yes,” the system generates a conditional drop down for the applicant to select the “Bank Country.” Depending on the country selected, the system then generates two to four entry fields to collect the account information. Many of the countries have different entry requirements; therefore the entry fields are conditional.

We also included a screen “pop up” to assist the applicant to understand what is considered IDD. The “pop up” appears when the applicant hovers the mouse over the “IDD” segment.
