

Appendix C: On-line Informed Consent for EIVRI Evaluation Study

Informed Consent Statement

- **Purpose of the Study:** The purpose of this research study is to evaluate the DVD called “The Lab” and determine whether you might use it in a course on the responsible conduct of research or research integrity.
- **Procedures to be followed:** You will be asked to answer 32 questions on a questionnaire.
- **Duration:** It will take about 15-30 minutes to complete the questionnaire.
- **Statement of Confidentiality:** Your participation in this research is confidential. The questionnaire does not ask for any information that would identify who the responses belong to. In the event of any publication or presentation resulting from the research, no personally identifiable information will be shared because your name is in no way linked to your responses.
- **Right to Ask Questions:** Please contact Dr. Lynn D. Disney at (703) 312-5220 with questions or concerns about this study.
- **Voluntary Participation:** Your decision to be in this research is voluntary. You can stop at any time. You do not have to answer any questions you do not want to answer.
 - You must be 18 years of age or older to take part in this research study.
 - You must complete the questionnaire in one session.
 - Clicking "YES" below implies that you have read the information above and have given your consent to take part in the research. Clicking "NO" below means that you do not give your consent to participate in the study and will lead you to the exit of the questionnaire.
