§ 51-1.3 Definitions.

As used in this chapter:

AbilityOne Program means the program authorized by the JWOD Act to increase employment and training opportunities for persons who are blind or have other severe disabilities through Government purchasing of commodities and services from nonprofit agencies employing these persons.

Agency and *Federal agency* mean *Entity of the Government*, as defined herein.

Blind means an individual or class of individuals whose central visual acuity does not exceed 20/200 in the better eye with correcting lenses or whose visual acuity, if better than 20/200, is accompanied by a limit to the field of vision in the better eye to such a degree that its widest diameter subtends an angle no greater than 20 degrees.

Central nonprofit agency means an agency organized under the laws of the United States or of any State, operated in the interest of the blind or persons with other severe disabilities, the net income of which does not incur in whole or in part to the benefit of any shareholder or other individual, and designated by the Committee to facilitate the distribution (by direct allocation, subcontract, or any other means) of orders of the Government for commodities and services on the Procurement List among nonprofit agencies employing persons who are blind or have other severe disabilities, to provide information required by the Committee to implement the JWOD Program, and to otherwise assist the Committee in administering these regulations as set forth herein by the Committee.

Committee means the Committee for Purchase from People who are Blind or Severely Disabled.

Contracting activity means any element of an entity of the Government that has responsibility for identifying and/or procuring Government requirements for commodities or services. Components of a contracting activity, such as a contracting office and an ordering office, are incorporated in this definition, which includes all

offices within the definitions of “contracting activity,” “contracting office,” and “contract administration office” contained in the Federal Acquisition Regulation, 48 CFR 2.101.

Direct labor means all work required for preparation, processing, and packing of a commodity or work directly related to the performance of a service, but not supervision, administration, inspection or shipping.

Fiscal year means the 12-month period beginning on October 1 of each year.

Government and Entity of the Government mean any entity of the legislative branch or the judicial branch, any executive agency, military department, Government corporation, or independent establishment, the U.S. Postal Service, and any nonappropriated fund instrumentality under the jurisdiction of the Armed Forces.

Interested person means an individual or legal entity affected by a proposed addition of a commodity or service to the Procurement List or a deletion from it.

Military resale commodities means commodities on the Procurement List sold for the private, individual use of authorized patrons of Armed Forces commissaries and exchanges, or like activities of other Government departments and agencies.

Nonprofit agency (formerly workshop) means a nonprofit agency for the blind or a nonprofit agency employing persons with severe disabilities, as appropriate.

Other severely handicapped and severely handicapped individuals (hereinafter persons with severe disabilities) mean a person other than a blind person who has a severe physical or mental impairment (a residual, limiting condition resulting from an injury, disease, or congenital defect) which so limits the person's functional capabilities (mobility, communication, self-care, self-direction, work tolerance or work skills) that the individual is unable to engage in normal competitive employment over an extended period of time.

(1) Capability for normal competitive employment shall be determined from information developed by an ongoing evaluation program conducted by or for the nonprofit agency and shall include as a minimum, a preadmission evaluation and a reevaluation at least annually of each individual's capability for normal competitive employment.

(2) A person with a severe mental or physical impairment who is able to engage in normal competitive employment because the impairment has been overcome or the

condition has been substantially corrected is not “other severely handicapped” within the meaning of the definition.

Participating nonprofit agency (formerly participating workshop) means any nonprofit agency which has been authorized by the Committee to furnish a commodity or service to the Government under the JWOD Act.

Procurement List means a list of commodities (including military resale commodities) and services which the Committee has determined to be suitable to be furnished to the Government by nonprofit agencies for the blind or nonprofit agencies employing persons with severe disabilities pursuant to the JWOD Act and these regulations.

Qualified nonprofit agency for other severely handicapped (hereinafter nonprofit agency employing persons with severe disabilities) (formerly workshop for other severely handicapped) means an agency organized under the laws of the United States or any State, operated in the interests of persons with severe disabilities who are not blind, and the net income of which does not inure in whole or in part to the benefit of any shareholder or other individual; which complies with applicable occupational health and safety standards prescribed by the Secretary of Labor; and which in furnishing commodities and services (whether or not the commodities or services are procured under these regulations) during the fiscal year employs persons with severe disabilities (including blind) for not less than 75 percent of the work-hours of direct labor required to furnish such commodities or services.

Qualified nonprofit agency for the blind (hereinafter nonprofit agency for the blind) (formerly workshop for the blind) means an agency organized under the laws of the United States or of any State, operated in the interest of blind individuals, and the net income of which does not inure in whole or in part to the benefit of any shareholder or other individual; which complies with applicable occupational health and safety standards prescribed by the Secretary of Labor; and which in furnishing commodities and services (whether or not the commodities or services are procured under these regulations) during the fiscal year employs blind individuals for not less than 75 percent of the work-hours of direct labor required to furnish such commodities or services.

State means the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and any territory remaining under the jurisdiction of the Trust Territory of the Pacific Islands.

(a) To maintain its qualification under the JWOD Act, each nonprofit agency authorized to furnish a commodity or a service shall continue to comply with the requirements of a “nonprofit agency for other severely handicapped” or a “nonprofit agency for the blind” as defined in §51–1.3 of this chapter. In addition, each such nonprofit agency must submit to its central nonprofit agency by November 1 of each year, two completed copies of the appropriate Annual Certification (Committee Form 403 or 404) covering the fiscal year ending the preceding September 30.

(6) Maintain a file for each blind individual performing direct labor which contains a written report reflecting visual acuity and field of vision of each eye, with best correction, signed by a person licensed to make such an evaluation, or a certification of blindness by a State or local governmental entity.

(7) Maintain in the file for each blind individual performing direct labor annual reviews of ability to engage in normal competitive employment. These reviews must be signed by an individual qualified by training and/or experience to make this determination.

(8) Maintain an ongoing placement program operated by or for the nonprofit agency to include liaison with appropriate community services such as the State employment service, employer groups and others. Those individuals determined capable and desirous of normal competitive employment shall be assisted in obtaining such employment.

(9) Upon receipt of payment by the Government for commodities or services furnished under the Ability One Program, pay to the central nonprofit agency a fee which meets the requirements of §51-3.5 of this chapter.

(2) Reports which state whether that individual is capable of engaging in normal competitive employment. These reports shall be signed by a person or persons qualified by training and experience to evaluate the work potential, interests, aptitudes, and abilities of persons with disabilities and shall normally consist of preadmission evaluations and reevaluations prepared at least annually. Subcontracting intended to be a routine part of the production of a commodity or provision of a service shall be identified to the Committee at the time the commodity or service is proposed for addition to the Procurement List and any significant changes in the extent of subcontracting must be approved in advance by the Committee.

Pending a decision by the Committee, the central nonprofit agency concerned may be directed by the Committee to temporarily suspend allocations to the nonprofit agency.

(b) If a nonprofit agency fails to correct its violations of these regulations, the Committee, after affording the nonprofit agency an opportunity to address the Committee on the matter, may terminate the nonprofit agency's eligibility to participate in the JWOD Program.
