### **Experimental Study on Consumer Responses to Labeling Statements on Food Packages**

#### **Examples of Labels**

The following pages show examples of how various labeling statements will be positioned on a label.

The last two images are blank versions of the proposed mock-ups for the snack bar and snack chips products. The various labeling statements will be positioned on the snack bar and snack chips labels in a manner similar to that shown in the shredded wheat label examples.

The image shows a stylized representation of a snack bar wrapper. The background is a vibrant green with a sunburst pattern of radiating lines. Three soft, white, stylized clouds are scattered across the scene. A wide, tan-colored banner with a slight gradient and a dark brown border curves across the center. The words "Snack Bar" are printed on this banner in a large, bold, yellow font with a thick green outline. The overall aesthetic is bright and energetic.
