

Attachment 2: Flyer

Note to OMB reviewers: Social Service organizations and church groups distributing the flyer on behalf of the CWC, would say the following to potential respondents, “*You may be eligible to participate in a research study testing questions for a national survey on young people’s health and life experiences. You are under no obligation to do this. If you are interested in participating or would like more information, please call the phone number below.*”

13-24 year olds Wanted for Study

We are looking for youth 13-24 years of age to help us learn how to ask questions for a national survey about young peoples’ health and life experiences.
