

# Participants Wanted for Research Study

The National Center for Health Statistics is looking for persons aged 18 – 64 to answer a variety of health and quality of life questions. Anyone is eligible to participate, but we are especially interested in talking with people who have chronic health conditions (diabetes, asthma, addiction), depression or anxiety, mobility issues or difficulty seeing or hearing. The interview will be no longer than 60 minutes and participants will receive \$40.

**FOR MORE INFORMATION,**  
call Lauren at: **301-458-4676**
