

**Critical Thinking and Cultural Affirmation (CTCA): Evaluation of a Locally
Developed HIV Prevention Intervention**

Attachment 11

Exit Survey

Public reporting burden of this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-New)

Exit Survey

1	What is your age? (check one) <input type="checkbox"/> 18 – 24 <input type="checkbox"/> 25-30 <input type="checkbox"/> 31-40 <input type="checkbox"/> 41-50 <input type="checkbox"/> 51 or over
2	What is your sex or gender (check all that apply): <input type="checkbox"/> Male <input type="checkbox"/> Transgender Male/Transman <input type="checkbox"/> Genderqueer <input type="checkbox"/> Other SPECIFY:
3	Do you now identify as (check all that apply): <input type="checkbox"/> Heterosexual/straight <input type="checkbox"/> Same Gender Loving <input type="checkbox"/> Other _____ <input type="checkbox"/> Homosexual/gay <input type="checkbox"/> Queer <input type="checkbox"/> I do not identify with any of these <input type="checkbox"/> Bisexual <input type="checkbox"/> Pansexual
4	Was this the first time you volunteered for an HIV research study? <input type="checkbox"/> Yes <input type="checkbox"/> No
5	I decided to participate in this research study because (check all that apply): <input type="checkbox"/> I felt it would help my community <input type="checkbox"/> I would get paid for participating <input type="checkbox"/> I knew someone on the study staff <input type="checkbox"/> I was asked to join by someone in the study <input type="checkbox"/> I wanted to get tested <input type="checkbox"/> I needed or wanted help finding services in my community <input type="checkbox"/> I wanted more information about HIV and STDs <input type="checkbox"/> I wanted to meet other Black men locally <input type="checkbox"/> I was curious about the study <input type="checkbox"/> I feel this research is important
6	Before you enrolled in the CTCA study, had you ever taken an HIV test? <input type="checkbox"/> Yes <input type="checkbox"/> No
7	Have you had an HIV test since you started participating in the CTCA study? <input type="checkbox"/> Yes <input type="checkbox"/> No
8	What was the result of your most recent HIV test? <input type="checkbox"/> Negative <input type="checkbox"/> Positive <input type="checkbox"/> I don't know
8	Based on your experience with the CTCA study would you say the project was focused on enrolling Black men who are: (check all that apply): <input type="checkbox"/> Any Black man <input type="checkbox"/> Had never had an HIV test <input type="checkbox"/> HIV Negative <input type="checkbox"/> HIV Positive

We want to thank you for your valuable contributions to this study and helping us identify new ways to support the health of African American men who have sex with men. We would like to hear your thoughts about the CTCA: HIV Prevention and Intervention for African American Men who Have Sex With Men study [the CTCA study] and your experience as a participant. **All information collected here will be completely confidential and has no impact on your participation.** Although we value your feedback, **you may choose not to complete this survey.**

Please tell us how strongly you agree or disagree with the following statements:		Strongly Agree	Agree	Disagree	Strongly Disagree	Don't Know	Not Applicable
9.	CTCA has changed the way I think about sex	<input type="checkbox"/>					
10.	CTCA helped me get access to services I wanted to find	<input type="checkbox"/>	<input type="checkbox"/> I did not want help getting services				
11.	There was too much talk about HIV in the study	<input type="checkbox"/>					
12.	The study appointments were too long	<input type="checkbox"/>					
13.	It was hard to find time to participate in the study	<input type="checkbox"/>					
14.	The HIV and sexual behavior information was not very useful	<input type="checkbox"/>					
15.	I would tell others to join the study	<input type="checkbox"/>					
16.	I felt comfortable being around (e.g., talking to) the CTCA research staff	<input type="checkbox"/>					
17.	The CTCA study will help stop new HIV infections	<input type="checkbox"/>					
18.	The intervention (CTCA) was not very helpful	<input type="checkbox"/>					
19.	The cultural & historical content provided through CTCA was helpful	<input type="checkbox"/>	<input type="checkbox"/> I did not get cultural & historical content				

20. Do you have any suggestions on how to improve the CTCA project?

21. What was your favorite part of the CTCA project?

22. What was your least favorite part of the CTCA study?

Thank you for this valuable information. We may wish to follow-up with you to ask you more questions about participating in this project. Your participation in any future follow-up is strictly optional. If you do not wish to be contacted further please indicate so below. However, if you would be willing to speak with a member of the CTCA

research staff further about your participation please indicate so below. Again thank you for your valuable feedback.
