QFT CATI Scripts_Revised

2012 NATIONAL SURVEY ON DRUG USE AND HEALTH QUESTIONNAIRE FIELD TEST:

CATI VERIFICATION SCRIPTS

This page intentionally left blank.

Verification Script for Codes 10, 13, 18, 26

General Information:
All skips or routing instructions to be programmed are noted next to response in brackets [ ]

Gender = Male/Female

All fills are designated by italics text in parentheses (*address*)

(*FI Pronoun*): he/she based on FI's gender

(FI Description): age, gender, height, race

Program fill for past or future tense as follows*:*
  Use the first portion of the fill (**will**/*did*) (**stay**/*stayed*)
    If Qtr 1 and call is before Feb 15, else use second portion
    If Qtr 2 and call is before May 15, else use second portion
    If Qtr 3 and call is before August 15, else use second portion
    If Qtr 4 and call is before November 15, else use second portion
    If QFT and call is before October 15, else use second portion

Program fill for (*3-month quarter field period*)
    Qtr 1= January, February, March
    Qtr 2= April, May, June
    Qtr 3= July, August, September
    Qtr 4 = October, November, December
    QFT = September, October, and November

Program fill for *(government department)*
    Main Study Case = U.S. Public Health Service
    QFT Case = U.S. Department of Health and Human Services

(*Screening Date*) fill: Date of final Screening Code

Fills: (*first name/a resident of this household*) If first name available from data, use this in fill – otherwise, use "a resident of this household".

Screening Information Provided for Codes 10,13,18,26:

    CaseID
    Phone number (designates home or work phone)
    Address
    Notes to Verification Caller [Additional data from Hewlett-Packard iPAQ Pocket PC (Main Study Case) or Samsung Galaxy Tablet (QFT Case)]
    First Name
    Screening Date (date of final Screening code)

Screening Script:

      ENTER RESPONDENT'S ANSWER VERBATIM. [NORES1D]

 >NORES1D<

      OK, perhaps you can help me (My name is _____. I am calling from RTI regarding a study
      sponsored by the *(government department)*.)

      Our records indicate that someone at this number was contacted concerning (*address*).

      This call is to ***verify the quality*** of our interviewer's performance. It will take less than two minutes of
      your time. For training and quality assurance purposes, this call may be monitored. Are you or anyone else
      at this number familiar with (*address*)?

      (This is a scientific research study and the quality of data is essential. We monitor our interviewer's work
      in several ways. One very important check is to call some of the residences that were contacted to ensure
      the interviewer followed proper procedures and behaved professionally.)

          <1>   YES, RESPONDENT IS [D1]
          <2>   YES, SOMEONE ELSE IS [SPEAKD]
          <3>   NO [NORES2D]
          <F3>   DON'T KNOW [NORES2D]
          <F4>   REFUSED [NORES2D]

>NORES2D<

      I was given this telephone number to verify that our interviewer made contact with someone that either
      lives at or is knowledgeable about (*address*). Is there anyone at this number who might be familiar with
      (*address*)?

          <1>   YES, RESPONDENT IS [D1]
          <2>   YES, SOMEONE ELSE IS [SPEAKD]
          <3>   NO [NORES2D1]
          <F3>   DON'T KNOW [NORES2D1]
          <F4>   REFUSED [NORES2D1]

>NORES2D1<

      Is there anyone at this number who might be familiar with our interviewer who is (*FI Description*)?

<1>   YES, RESPONDENT IS [D1]
<2>   YES, SOMEONE ELSE IS [SPEAKD]
<3>   NO [DONED]
<F3>   DON'T KNOW [DONED]
<F4>   REFUSED [DONED]

>SPEAKD<

May I speak with this person?

<1>   YES [if cell number, go to Cell_Res1, else INTRO2AD]
<2>   NO   (THIS RESPONSE WILL TAKE YOU TO THE CALLBACK SCREEN) [CALLBACK]

>Cell_Res1<

Hello, my name is _____. I am calling from RTI regarding a study sponsored by the *(government department).*

Are you in a place where you can safely talk on the phone and answer my questions?

INTERVIEWER: IF THE RESPONDENT CANNOT TALK RIGHT NOW, PLEASE GET A GOOD TIME TO CALLBACK; IF THEY SIMPLY HANGUP, SET A RANDOM APPOINTMENT FOR 4 HOURS LATER.

<1> Yes [INTRO2AD]
<2> No   [END]
<8> Schedule a callback [END]
<9> Other Codes   [END]

Verification Script for Code 22

General Information:
All skips or routing instructions to be programmed are noted next to response in brackets [ ]

Gender = male/female

All fills are designated by italics text in parentheses (*address*)

(*FI Pronoun*): he/she based on FI's gender

(FI Description): age, gender, height, race

Program fill for past or future tense as follows*:*
> Use the first portion of the fill (***will live/lived***)
> > If Qtr 1 and call is before Feb 15, else use second portion
> > If Qtr 2 and call is before May 15, else use second portion
> > If Qtr 3 and call is before August 15, else use second portion
> > If Qtr 4 and call is before November 15, else use second portion
> > If QFT and call is before October 15, else use second portion

Use the first portion of the fill *(**will/did**)*
> > If Qtr 1 and call is before Feb 15, else use second portion
> > If Qtr 2 and call is before May 15, else use second portion
> > If Qtr 3 and call is before August 15, else use second portion
> > If Qtr 4 and call is before November 15, else use second portion
> > If QFT and call is before October 15, else use second portion

Program fill for (*3-month quarter field period*)
> > Qtr 1= January, February, March
> > Qtr 2= April, May, June
> > Qtr 3= July, August, September
> > Qtr 4 = October, November, December
> > QFT = September, October, and November

Program fill for *(government department)*
> > Main Study Case = U.S. Public Health Service
> > QFT Case = U.S. Department of Health and Human Services

Screening Date fill: Date of final Screening Code

Fills: (*first name/a resident of this household*) If first name available from data, use this in fill – otherwise, use "a resident of this household".

Fill (*were/was*) - Question >C1C< uses this fill. It can either be programmed to use "were" if there are multiple HH members and "was" if there is one HH member OR we can just offer (were/was) in the script and the TI can select the proper fill.

(*Roster Data*): Age, gender, race for each HH member

(*Screening Date*) fill: Date of final Screening Code

9

<center>**Verification Script for Code 30 QFT Cases**</center>

General Information:
All skips or routing instructions to be programmed are noted next to response in brackets [ ]

Gender = Male/Female

All fills are designated by italics text in parentheses (*address*)

(*FI Pronoun*): he/she based on FI's gender

(FI Description): age, gender, height, race

Program fill for past or future tense as follows*:*
      Use the first portion of the fill (***will live**/lived*)
            If QFT and call is before October 15, else use second portion

Program fill for (*3-month quarter field period*)
             QFT = September, October, and November

Screening Date fill: Date of final Screening Code

(*Roster Data*): age, gender, race of each HH member

(*Screening Date*) fill: Date of final Screening Code

(*city, state and zip code*): city, state and zip code for address

(*number rostered*): total number of people in roster

Fills: (*first name/a resident of this household*) If first name available from data, use this in fill – otherwise, use "a resident of this household".

The responses from the following variable items will need to be available for a frequency or data dump by request:

QB3B1 (verbatim elaboration on street number or name discrepancy)

QB4B1 (verbatim elaboration on city, state, zip code discrepancy)

QDESROSB (verbatim elaboration on roster discrepancy)

QDESROSC (verbatim elaboration on roster discrepancy)

Screening Information Provided for Code 30:

        CaseID
        Phone number (designates home or work phone)
        Address
        Notes to Verification Caller [Additional data from Samsung Galaxy Tablet]
        First Name
        Screening Date (date of final Screening code)
        Roster Data

Screening Script:

Our records indicated that you were interviewed.

This call is to *verify the quality* of our interviewer's performance. It will take less than two minutes of your time.   For training and quality assurance purposes, this call may be monitored.

(This is a scientific research study and the quality of data is essential. We monitor our interviewer's work in several ways. One very important check is to call some of the residences that were contacted to ensure the interviewer followed proper procedures and behaved professionally.)

ENTER (1) TO CONTINUE... [QA1]

>QADULTA1A<   {DIAL SCREEN}

(Hello, my name is _____. I am calling from RTI regarding a study sponsored by the U.S. Department of Health and Human Services.)

Our records indicate that a (*adult demo*) in your household was interviewed and that they agreed to verify this interview.

We would like to speak to this person to ***verify the quality*** of our interviewer's performance. It will take less than two minutes of their time.   For training and quality assurance purposes, this call may be monitored. Would now be a convenient time for you to put me in touch with this person?

(This is a scientific research study and the quality of data is essential. We monitor our interviewer's work in several ways. One very important check is to call some of the residences that were contacted to ensure the interviewer followed proper procedures and behaved professionally.)

<1>   SPEAKING WITH TARGET RESPONDENT [QA1]
<2>   YES, RESPONDENT AVAILABLE [if cell number, go to QCell_Res3, else QADULTBA]
<3>   RESPONDENT UNAVAILABLE AT THIS TIME [CALLBACK]
<4>   RESPONDENT UNKNOWN [QUNKNOWNA]
<5>   RESPONDENT KNOWN, BUT WILL NEVER BE AVAILABLE [QUNKNOWNA]

>QUNKNOWNA<   {QUND18B1A=3 OR 4; QUND18B1B= 3 OR 4; QADULTA1A= 4 OR 5}

It is important that we verify our interviewer made contact with someone at this number concerning (*address*). Is this the correct phone number for (*address*)?

<1>   YES [QA1C]
<2>   NO [QA1C]

>QCell_Res3<   [cell number and QADULTA1A = 2]

ONCE SPEAKING WITH THE TARGET RESPONDENT

Hello, my name is _____. I am calling from RTI regarding a study sponsored by the U.S. Department of Health and Human Services.

Are you in a place where you can safely talk on the phone and answer my questions?

INTERVIEWER: IF THE RESPONDENT CANNOT TALK RIGHT NOW, PLEASE GET A GOOD TIME TO CALLBACK; IF THEY SIMPLY HANGUP, SET A RANDOM APPOINTMENT FOR 4 HOURS LATER.

<1> Yes [QADULTBA]
<2> No   [END]
<8> Schedule a callback [END]
<9> Other Codes   [END]

>QADULTBA<   {cell number and QCell_Res3=1, or not cell number}

(Hello, my name is _____. I am calling from RTI regarding a study sponsored by the U.S. Department of Health and Human Services.)

Our records indicate that you were interviewed.

This call is to *verify the quality* of our interviewer's performance. It will take less than two minutes of your time. For training and quality assurance purposes, this call may be monitored.
