Notes regarding the ADD-02B form in the On-Line Data Collection (OLDC) system:

- Within the OLDC system, a user accessing the ADD-02B form must first select the State, and then they select the Fiscal Year of award, and the Reporting Period in order to “Select Form” shown here. Based on these selections, the OLDC system inserts some information automatically (shown in blue). The selection options are limited, based on the authorizations of the user’s OLDC account, so that they cannot accidentally enter data in a form for a different State or for a fiscal year or reporting period in the future.
- Form information and data in blue are provided/calculated by the system automatically.
- The blue buttons at the top of the report are for going to different parts of the OLDC system:
 - o OLDC Home ... the first page visited in OLDC when accessing it.
 - o Select State ... the page where a user selects their State.
 - o Select Form ... the page where the user selects the reporting period.
 - o End OLDC ... permits the user to sign out of the system.
- The blue buttons at the bottom of the report are for report manipulations:
 - o Save Form ... saves the data as it is currently showing in the form.
 - o Validate Form ... the data entry staff indicate that the report is completed
 - o Click to Sign ... this button embedded within the form, near the bottom, permits the authorized official the opportunity to electronically sign and thus to legally certify the accuracy of the data.
 - o Submit Form ... the authorized official sends the report to the federal reviewers.
