**U.S. DOL ETA
Financial Report Instructions**

**WORKFORCE INVESTMENT ACT
LOCAL DISLOCATED WORKER**

Report Submission

- 1) The U.S. DOL/ETA requires all grant recipients to submit the Financial Status Report (FSR) electronically through an on-line reporting system.
- 2) Recipients are issued a password and a PIN to enable reporting via the on-line reporting system at www.etareports.doleta.gov. Upon accessing the system, detailed on-line reporting instructions are provided.
- 3) Report submission is a three step process: **1. DATA ENTRY** – the *Secondary Contact* person, designated by the grantee organization, is responsible for entering the required data on the FSR, using the password; **2. DATA CERTIFICATION** – the *Primary Contact* person, the designated authorized official in grantee organization, is responsible for certifying the accuracy of the data by entering the PIN; and **3. DATA ACCEPTANCE** – DOL/ETA is responsible for reviewing the certified FSR, communicating with grantee as necessary, and accepting the report within 10 working days after report certification. If a modification is required, the certification and acceptance processes must be repeated.

Reporting Requirements

- 1) Submission of the FSR is required on a quarterly basis. **Reporting quarter end dates shall correspond to the following calendar quarter end dates: March 31, June 30, September 30, and December 31.** A final quarter FSR is required at the completion of the quarter encompassing the grant award end date, or at the completion of the quarter in which all funds have been expended, whichever comes first. The final quarterly FSR must be indicated by selecting “YES” in Item 6, Final Report.
- 2) Quarterly reports, including the final quarter report, are required to be submitted *no later than 45 calendar days* after the end of each specified reporting period. **The reporting due dates are: May 15, August 14, November 14, and February 14.**
- 3) A closeout report is required to be submitted *no later than 90 calendar days* after the grant end date. The closeout report is separate from (and additional to) the final quarter report and becomes accessible on-line after submittal of the final quarter report. (The closeout report does not need to be completed until the grant closeout process begins.)
- 4) All financial data is required to be reported **cumulative from grant inception**, through the end of each reporting period. Expenditure data is required to be reported on an **accrual basis**.
- 5) A separate FSR is required for each program and each fund source (subaccount) awarded to a grant recipient.
- 6) Both cash management and financial status information are required for all reports.

Assistance with completing the reports can be found primarily through your Federal Project Officer. Technical issues with the on-line reporting system should be directed to: appsupport.egrants@dol.gov.

Please ensure that the certifying official information contained in Items 13a -13d is correct. Any outdated information will delay transmission of the grant’s closeout package and relevant information affecting the grant. To request a change in the signatory/certifying official, you must send an e-mail to ETApasword.pin@dol.gov.

7	Basis of Accounting (Accrual)	Basis of Accounting is intended to read and be interpreted as “Basis of Reporting” . ACCRUAL has been pre-entered on all reporting formats. FR Number	Reporting Item	Instructions
10	<p>Transactions</p>	<p>Enter cumulative amounts in the Cumulative Column for each line item requiring data entry, as of the reporting period end date. NOTE: If any line item does NOT require data entry for a particular grant/program, a ZERO must be entered.</p> <p>Line items which will be automatically calculated are grayed out, and no data entry will be permitted by reporting entity.</p> <p>Cumulative data for current reporting quarter will become Previous Period Column in following quarter. This Period data will be automatically calculated. Use Section 12, Remarks, to provide any information deemed necessary to support/explain data provided in this section.</p>
Federal Cash		
10a	Cash Receipts	<p>Enter the cumulative quarter-end cash received from the Payment Management System (PMS) for the Local Dislocated Worker component piece of the subaccount identified in Item 2. This amount should coincide with cumulative drawdowns ‘posted’ in the Payment Management System through the end of the quarter.</p> <p><i>This entry is a component piece of the amount posted in the note above Item 10a, which reads “DOL records reflect total quarter-end cumulative drawdowns of \$ for all components of this subaccount.” The sum of the 10a entry on this format plus the 10a entries on the Statewide Dislocated Worker and Statewide Rapid Response formats must equal the DOL record amount posted for this subaccount.</i></p> <p>Cash receipts reported should reflect the state’s receipt of cash to be disbursed to local areas to pay for allowable Local Dislocated Worker costs associated with the funding authority identified on Line 10d.</p> <p>NOTE: For grant recipients operating on a reimbursement basis, this amount should NOT reflect cash utilized from other fund sources of the grantee organization to initially pay for subject grant activities. HARD EDIT – The sum of all 10a entries for a subaccount must equal DOL record amount. (This hard edit will be imposed on the FINAL 10a subaccount entry.) HARD EDIT – Line 10a cannot exceed Line 10d.</p>
10b	Cash Disbursements	<p>Enter the cumulative amount of cash disbursed to the local areas from the cash received by the State, as identified on 10a, as of the reporting period end date. The cash disbursements reported must be “all or a portion” of the actual cash “deposited in the state bank account”, and therefore can never be greater than the entry of cash receipts on Line 10a.</p> <p>HARD EDIT – Line 10b cannot exceed Line 10a. SOFT EDIT – Line 10b should not exceed Line 10e. CAUTION: Line 10e will typically be greater than Line 10b due to inclusion of accruals, for which payment has not been made. If allowable advances to sub-entities cause Line 10b to exceed Line 10e, a valid explanation should be provided in Item 12, Remarks. SOFT EDIT – Line 10b for “This Period” should not be negative. CAUTION: If entry for this line item is less than previous period cumulative amount, a valid explanation should be provided in Item 12, Remarks.</p>

FR Number	Reporting Item	Instructions
10c	Cash On Hand (Line 10a minus Line b)	<p>This is an automatic calculation, which is Line 10a minus Line 10b. The cash on hand amount should represent immediate cash needs. An explanation for the excess cash on hand amount should be provided in Section 12, Remarks.</p> <p>NOTE: In accordance with Department of Treasury regulations, federal cash MUST BE DRAWN SOLELY TO ACCOMMODATE YOUR IMMEDIATE NEEDS ON AN “AS NEEDED” BASIS ONLY. HARD EDIT – Line 10c must be equal to Line 10a minus Line 10b. HARD EDIT – Line 10c cannot be negative.</p>
Federal Expenditures and Unobligated Balance:		
10d	Total Federal Funds Authorized	<p>Enter the total amount of Dislocated Worker (DW) funds (from the state DW funding stream allotment) allocated to the local areas for allowable local DW activities.</p> <p>NOTE: After the first 2 years of a Program Year of funding, any local DW funds recaptured by the state and returned for statewide activities should be reflected by a decrease in this entry. A corresponding increase should be made to Line 10d of the Statewide DW format. (Local DW funds recaptured from one local area and allocated to another local area will precipitate no change to this line item.) HARD EDIT – Sum of Lines 10d for all subaccount components must be equal to NCFMS cumulative obligation. (This hard edit will be imposed on the FINAL 10d subaccount entry.)</p>
10e	Federal Share of Expenditures	<p>Enter the cumulative amount of accrued expenditures for allowable costs associated with the funds authorized on Line 10d. This amount should represent the total accrued expenditures for all local areas. Accrued expenditures are the sum of actual cash disbursements for direct charges for goods and services; the amount of indirect expenses charged to the award; MINUS any rebates, refunds, or other credits; PLUS the total costs of all goods and property received or services performed, whether or not an invoice has been received or a cash payment has occurred. Accrued expenditures are to be recorded in the reporting quarter in which they occur, regardless of when the related cash receipts and disbursements take place.</p> <p>Unless cash advances have been made to subrecipients, this entry will usually be greater than Line 10b, cash disbursements, because accruals (goods and services received but not yet paid for) must be included on this line item. In addition, recipients operating on a reimbursement basis must report all accrued expenditures (including cash disbursements for allowable grant activities) in the quarter in which they occur (no matter what source initially pays the costs.) HARD EDIT – Line 10e cannot exceed Line 10d. HARD EDIT – Sum of Lines 10e for all subaccount components cannot exceed NCFMS cumulative obligation. (This hard edit will be imposed on the FINAL 10e subaccount entry.)</p> <p>NOTE: During the closeout process, funds not expended during the grant period will be de-obligated.</p>

FR Number	Reporting Item	Instructions
		SOFT EDIT – Line 10e for “This Period” should not be negative. CAUTION: If entry for this line item is less than previous period cumulative amount, a valid explanation should be provided in Item 12, Remarks.
10f	Total Administrative Expenditures	Enter the cumulative amount of accrued expenditures charged to the DW local areas subaccount for administrative activities. (This line item is a portion of the amount reported on Line 10e.) NOTE: Because 10% of the total Youth, Adult, and Dislocated Worker funds available for expenditure at the local areas may be expended on administration (without regard to funding source), the funds identified on this line item, do not need to be allocable to the local DW program, but may be allocable to local Youth and Adult activities, as well. Administrative costs must be necessary and reasonable costs (direct and indirect) which are not related to the direct provision of services to participants, but relate to overall general administrative functions. Consult the WIA regulations at 20 CFR 667.220 for the specific definition for administrative costs and guidance on the distinction between administrative and program costs.
10g	Federal Share of Unliquidated Obligations	Enter any obligations for which an accrued expenditure has not yet been incurred, as of the reporting period end date. Unliquidated obligations should include amounts which will become due to subrecipients and subcontractors. This amount should represent the aggregate unliquidated obligations for local areas. On the final report, this line item should be zero. Obligation, as defined in 29 CFR 97.3, means the amount of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period. Obligations are legal requirements - not plans, budgets, or encumbrances. Examples of obligations or legal commitments include subgrant agreements, purchase orders, or cash disbursements. Obligations do not include such actions as projected staff time, future or projected rent payments, future or projected training, or items that are budgeted during the period of the grant award. NOTE: For DOL/ETA grants, the only liquidation that can occur during closeout is the liquidation of accrued expenditures (NOT obligations) for goods and/or services received during the grant period. <i>Do not include any amount on Line 10g that has been reported on Line 10e or 10f. Do not include any amount on Line 10g for a future commitment of funds/encumbrances (e.g., entire lease, budgeted salary costs) for which an obligation has not yet been incurred.</i>
10h	Total Federal Obligations	This is an automatic calculation, which is the sum of Lines 10e and 10g. HARD EDIT – Line 10h cannot exceed Line 10d. HARD EDIT – Line 10h must be equal to Line 10e plus Line 10g.
10i	Unobligated Balance of Federal funds	This is an automatic calculation, which is Line 10d minus Line Item 10h. HARD EDIT – Line 10i must be equal to Line 10d minus Line 10h.

FR Number	Reporting Item	Instructions
Recipient Share:		
10j	Total Recipient Share Required	Enter match requirement, if applicable. If there is no match requirement, a ZERO must be entered.
10k	Recipient Share of Expenditures	Enter any non-Federal funds expended by local areas for the purposes or activities of subject grant. Expenditures identified on this line item must be allowable costs which could otherwise have been paid for out of subject grant funds. These expenditures should include other non-Federal leveraged resources. The value of allowable non-Federal in-kind contributions should also be included. NOTE: Non-Federal funds expended for the purposes or activities of subject grant, which are allowable under all OMB Circulars, but which are not completely allowable under subject grant (due to a program specific restriction), should not be reported on this line item, but should be included in the quarterly progress report.
10l	Recipient Share of Unliquidated Obligations	Enter any local area obligations (legal commitments to expend non-Federal funds) for which an accrued expenditure has not yet been incurred, as of the reporting period end date. <i>Do not include any amount on Line 10l that has been reported on Line 10k. Do not include any amount on Line 10l for a future commitment of funds (e.g., entire lease, budgeted salary costs) for which an obligation has not yet been incurred.</i>
10m	Total Recipient Share (sum of Lines 10k and 10l)	This is an automatic calculation, which is the sum of Lines 10k and 10l. NOTE: For grants having match requirements, this amount may often be greater than the required match. HARD EDIT – Line 10m must be equal to Line 10k plus Line 10l.
10n	Remaining Recipient Share to be Provided (Line 10j minus Line 10m)	This is an automatic calculation, Line 10j minus Line 10m. <i>When the match requirement identified on Line 10j has been met, the value on Line 10n will be automatically set to zero.</i> HARD EDIT – Line 10n must be equal to Line 10j minus Line 10m. HARD EDIT – Line 10n cannot be negative; when Line 10j and Line 10m are equal, Line 10n will automatically set to zero.
Program Income:		
10o	Total Federal Program Income Earned	Enter the total amount of program income earned by local areas as the result of allowable grant activity. The addition method for recording and reporting program income is required for all ETA programs. Additional reference on program income is found in the WIA regulations at 20 CFR 667.200 and in the DOL regulations at 29 CFR 95.24 and 29 CFR 97.25. Either gross or net program income may be reported. If gross program income is reported, the costs for generating the income should be included on Line 10e. If net program income is reported, the costs for generating the income are subtracted from the total income earned before entering the net amount on 10o. If no program income is earned, a ZERO must be entered.

FR Number	Reporting Item	Instructions
10p	Program Income Expended	Enter the total cumulative amount of accrued expenditures incurred by local areas against the program income earned on Line 10o. NOTE: Program income is to be expended during the same grant period in which it is earned.
10q	Unexpended Program Income (Line 10o minus Line 10p)	This is an automatic calculation, which is Line 10o minus Line 10p. HARD EDIT – Line 10q must be equal to Line 10o minus Line 10p.
11. Additional Expenditure Data Required		
11a	Other Federal funds expended	Enter any other Federal funds expended by local areas and any subrecipient organizations, but not by any non-subrecipient partner organizations, for the same purposes or activities of subject grant. Expenditures included must be allowable costs which could otherwise have been paid for out of subject grant funds. Other Federal funds expended by any non-subrecipient partner organizations for the benefit of this grant program should be included in the quarterly progress report. This entry should include expenditures of all Federally funded leveraged resources, whether or not such expenditures are the result of a leveraging requirement.
11b	Real Property Proceeds Expended	Enter expenditure of funds resulting from the sale of real property purchased with DOL/ETA - ES or UI funds. Further guidance on this requirement can be found in Training and Employment Guidance Letter No. 3-07, Transfer of Federal Equity in State Real Property to the States, dated August 1, 2007. NOTE: This amount should <i>not</i> be included in the amount reported on Line 10e.
11c	Expenditure of DW funds transferred to Adult program	Enter the amount of DW funds expended on the Adult program. This entry should be included in 10e, Total Expenditures. NOTE: <u>Line 10d, Funds Authorized, DOES NOT CHANGE.</u> The funding source paying for the DW funds expended on the Adult program remains the DW fund source. It is the expenditure of DW funds on the Adult program that becomes allowable within the approved transfer authority.
12	Remarks	Enter any explanations deemed necessary by the grantee or information required by DOL ETA. (This section supports transactions entered on lines identified in sections 10 and 11)
13a-b	Certification	The authorized official certifies accuracy of reported data by entering assigned PIN.
