# **Service Planning**

Now I'd like to ask you some questions about what happened when you and the staff at <a href="mailto:(name of grant program">(name of grant program)</a> were deciding what services or activities would be best for you. We call this the service planning process.

- 9. Is there a main person at (name of grant program) who helps to decide what services or activities you should receive or participate in? [Probe for the first name and function (e.g., case manager/care coordinator or therapist) who worked with the youth to plan services. Use that name where you see (name of case manager/therapist)]
- 10. Since entering <u>(name of grant program)</u>, have you been involved with staff from other agencies such as **child welfare**, **juvenile justice**, **education**, etc.? **If yes**, which agencies? (F.5.a.)

If yes, did anyone from any of these agencies work with you and (name of case manager/therapist) to plan services for you? If so, who?

- 5=All involved agencies were present
- 4=Most involved agencies were present
- 3=Some involved agencies were present
- 2=Few of the involved agencies were present
- 1=One involved agency was present (but family involved with more than one)

666=Family involved with only one agency

11. How well did the people who were working with you **involve** <u>you</u> in the **service planning process?** (F.2.a.)

Did they encourage you to **bring someone** to the meeting with you, perhaps **for support?** 

Did they ask you whether there was anyone you **did not want to be present** in the meeting?

Did they ask you to talk about **what you thought were the most important concerns** for yourself?

Did they encourage you to help **develop** you own **goals and objectives?** 

Did they give you a **choice of services** that you thought would be most helpful for yourself?

Were you able to turn down services that you did not want to receive?

Overall, were you as **involved in the service planning** process as you think you should have been?

- 5=Youth was involved in service planning in at least 6 ways AND respondent reported that involvement has been sufficient
- 4= Youth was involved in service planning in 5 ways OR involved in 6 ways but respondent reported that it could have been better
- 3= Youth was involved in service planning in 4 ways
- 2= Youth was involved in service planning in 3 ways
- 1= Youth was involved in service planning in fewer than 3 ways
- 12. Was the **service plan** (plan of care) **written down**? Did you sign it? Did you receive a copy of it?
- 13. When you were working with <u>(name of case manager/therapist)</u> to plan services, did she/he talk with you about **your strengths** (things you like to do, your interests, things you are good at)? Would you mind giving me some examples of things you talked about? (F.3.b.)

**How were** your **strengths used in planning your services?** What could have been done better?

### **Service Provision**

14. Have you received <u>all</u> the services that were listed in your service or care plan? (G.3.a.)

If no, do you know why you did not receive all the services that were planned for you? [Probe for reasons: lack of funds, no openings, waiting list, not in community, etc.]

- 5=Child/youth received all of the services that were planned
- 4=Child/youth received most of the services that were planned
- 3=Child/youth received many of the services that were planned
- 2=Child/youth received a few of the services that were planned
- 1=Child/youth received no services outlined in the plan

# Now I am going to ask you about the different people or service providers who work with you.

15. What have the different service providers you have worked with done to include you in your services and treatment planning? (G.2.a.)

For example, have they usually encouraged you to **offer your ideas about services and treatments?** 

<sup>5=</sup>Strengths explicitly discussed and at least three examples given of how strengths were incorporated into the service plan AND respondent reported it could not have been better

<sup>4=</sup>Strengths explicitly discussed and two examples given of how strengths were incorporated into the service plan but respondent reported it could have been better

<sup>3=</sup>Strengths explicitly discussed and one example given of how strengths were incorporated into the service plan

<sup>2=</sup>Strengths explicitly discussed but not (or very, very minimally) incorporated into the service plan

<sup>1=</sup>No discussion of strengths

Have they considered your **ideas or input** about your services and treatments?

Have they encouraged you to let them know when something was not working well?

Have they asked you for **suggestions about changes** that could be made to improve your services or treatments?

Overall, could your service providers have done a better job in **getting or using your** suggestions about the services and the treatments they are providing to you?

- 5=Youth was involved in service provision in 4 ways AND respondent reported that involvement has been sufficient
- 4= Youth was involved in service provision in 3 ways OR involved in 4 ways but respondent reported that it could have been better
- 3= Youth was involved in service provision in 2 ways
- 2= Youth was involved in service provision in 1 way
- 1= Youth was not involved in service provision

## About Myself

#### Directions:

On the back of this questionnaire are a number of sentences that people use to describe their feelings. You will be reading each sentence and deciding how often you feel the way the sentence describes.

There are no right or wrong answers. Just choose the answer that tells how you really feel.

If you need to change an answer, DO NOT ERASE! Make an X through the incorrect answer and circle the correct answer.

Now please turn the questionnaire over and fill out the information section at the top of the page. Be sure to answer all items.

Please think about all the services you and your family received over the past 6 months. These services may include *treatment* received from a therapist or clinician such as individual therapy, or *support* such as case management, or transportation. These services may also include help you and your family received through your school, a child welfare agency, the police, and the courts. All of these services are part of the service system in your community that works with children and families.

Have you or your family received any services like these in the past 6 months?

1 = No [END OF QUESTIONNAIRE]

2 = Yes

We are interested in knowing what you think about the services you and your family received during the past 6 months.

Your opinions are important, so please be honest and tell us what you think. We want to know how you felt, good *or* bad! Remember that what you say will be kept confidential. People who provide services to you and your family will never find out what you have told us.

I will read you several statements. For each of the statements, please tell me the extent to which you disagree or agree that the statement describes your experience.
