PRENOTICE POSTCARD

Dear Social Security Applicant:

Social Security believes that conducting surveys is one of the best ways to find out how well we are serving you. That's why we will soon be asking you to give us your opinion about the service you received for your recent business with Social Security.

In a few days, you will receive a short questionnaire in the mail from [Contractor], who is conducting this survey for Social Security. When you receive their envelope, we hope that you will take the time to answer our questions and tell us what you think of our service.

We look forward to hearing your opinions.

INITIAL COVER LETTER

Dear Social Security Applicant:

As noted in our recent postcard, Social Security is conducting a survey to get your opinion of the service you received when you requested a hearing on your application for Social Security disability benefits. We would like to hear from you even if you did not attend a hearing with a judge.

The survey is short and should only take 5 minutes to complete. Please take a few minutes now to answer the questions and return the form as soon as possible in the postage-paid envelope provided. While you are not required to respond, your opinions are very important to us and we would like to hear from as many people as possible. Please do not put any information related to your Social Security business in the envelope with your completed survey.

Please be assured that *[Contractor]*, who is conducting this survey for us, will only give your responses to the staff here at Social Security and will not use them for any other purpose. Social Security will report the survey results by summarizing the answers of everyone who takes the survey; we will not report any individual responses. Your participation in this survey will <u>not</u> affect your eligibility for benefits or any business you have with Social Security.

If you have any questions about your hearing request or benefits, please call Social Security's toll-free information line at 1-800-772-1213 or visit our web site at www.socialsecurity.gov.

Thank you for sharing your opinions with us.

Sincerely,
