PRIVACY ACT/PAPERWORK ACT NOTICE: There is authority in section 205(a) of the Social Security Act (42 U.S.C. 405(a)) to request this information. Your response to this request is voluntary. However, your cooperation will enable us to give the worker credit for these wages at this time. In the event wage reports were not filed for periods for which they were due or were incorrectly filed, credit for the wages can be given before referral to the Internal Revenue Service.

We need a statement of the wages paid by you to the employee named above or the amount of cash tips reported to you by the employee for the periods checked on the attached form. This information is needed for one of the following reasons: we are unable to locate a wage report for the period; the report may not be accurate; the employee was omitted from the report; the wages you reported have not yet been processed to the employee's Social Security earnings record; or you have not yet reported for the current year. This does not necessarily mean that a person now working plans to quit.

The instructions on completing the attached form are located on the back of this page. If you have any questions pertaining to completion of the form, please contact the individual listed above. A postage-paid envelope is enclosed for your use.

COMPUTER MATCHING: We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security Offices. If you want to learn more about this, contact any Social Security Office.

Privacy Act Statement Collection and Use of Personal Information

Section 205(a) of the Social Security Act, as amended, authorizes us to collect this information. We will use the information you provide to give the worker credit for these wages at this time.

Furnishing us this information is voluntary. However, failing to provide us with all or part of the information could prevent us from giving the worker credit for these wages at this time. In the event wage reports were not filed for periods for which they were due or were incorrectly filed, credit for the wages can be given before referral to the Internal Revenue Service.

We rarely use the information you supply for any purpose other than to give the worker credit for wages. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

- 1. To enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage;
- 2. To comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veterans' Affairs);
- 3. To make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; and,
- 4. To facilitate statistical research, audit, or investigative activities necessary to assure the integrity and improvement of Social Security programs (e.g., to the Bureau of the Census and private concerns under contract to Social Security).

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for federally-funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

A complete list of routine uses for this information is available in Systems of Records Notice entitled, Earnings Recording and Self-Employment Income System, 60-0059. This notice, additional information regarding this form, and information regarding our programs and systems, are available on-line at www.socialsecurity.gov or at your local Social Security office.
