How did you hear about us?:

Other:

If you heard about us from another source, please specify here.

I will enter (at least some) data that I did not collect in the field myself.

Check the box above if you are entering data on behalf of another person. For example, if you are a data entry tech entering data that field assistants collected or if you are a workshop or class leader entering data that the group collected.

Requests for Cloned Plants

Are you interested in getting a cloned dogwood?:

-- ▾

Cloned dogwoods are purchased for a limited number of observers by the USA-NPN. If you live in the southeast, and would like to observe a dogwood, please select 'yes' above. Find out more about the [Cloned Plants Project](#).

Training & Experience

I have read or watched the training materials on observing using Nature's Notebook.

Date:

Jun ▾ 5 ▾ 2012 ▾

I have attended in-person or webinar trainings on observing using Nature's Notebook.

Date of Training:

Jun ▾ 5 ▾ 2012 ▾

Place of Training:

Ecological Experience (select all that apply):

I have spent a great deal of time outdoors engaged in an endeavor related to observing plants (like gardening or farming or botanizing).

I have spent a great deal of time outdoors engaged in an endeavor related to observing animals (like hunting or fishing or birdwatching).

I have a college degree in a field related to ecology/nature.

I have a graduate degree in a field related to ecology/nature.

Other, please describe:

I consider myself a naturalist (either professional or amateur).

If yes, I would describe myself as:
