# LMI FINANCIAL RECONCILIATION WORKSHEET (FRW - A) TERMS DEFINED

## Line 1. Cumulative Disbursements:

The amount shown should represent cumulative cash disbursements through the obligations incurred during the CA period that were paid out prior to the completion of the Reconciliation Worksheet:

- applicable credits, refunds and rebates;
- outstanding advances and prepaid expenses; and
- other cash adjustments.

This figure is comparable to the FCO DISBURSED column found in the HHS-PMS FCO report.

## Line 2. Charged Advance:

The amount of cash drawn down against HHS-PMS or checks received.

This figure is comparable to the CHG-ADV column found in the HHS-PMS FCO report.

# Line 3. Difference:

The amount of Charged Advances/draw downs (Line 2), subtracted from reported expenses in Line 1. If the balance is greater, or less than zero, the closeout cannot take place until the SWA fully updates their last quarter's FFR to properly match their draw downs.

When the Difference (Line 3) is greater than zero, there are either:

- Resources on Order
  - The amount of those goods or services that is obligated, but not yet delivered by the vendor. Does not include: personal services, personnel benefits, most nonpersonal services line items and any items included as an "Accrual."
- Accruals
  - o The amount of those goods received, services rendered, expenses incurred, and assets acquired, but for which payments have not yet been made.

When the Difference (Line 3) is less than zero there is:

- Cash on Hand
  - The amount of cash available for the payment of obligations.

#### Line 4. Total Obligational Authority:

The amount of funds that the SWA is allowed to obligate against a specific program (i.e., CES, LAUS, etc.).

This figure is comparable to the FUTURE AUTH column found in the HHS-PMS FCO report.

#### Line 5. Unused Obligational Authority:

The amount of funds that the SWA did not obligate against a specific program. This sum should equal Line 4 (Total Obligational Authority) minus Line 2 (Charged Advance).

#### Line 6. Revised Obligational Authority:

The actual amount of funds used during the fiscal year. This sum should equal Line 4 (Total Obligational Authority) minus Line 5 (Unused Obligational Authority).

## Line 7. Total Unused Obligational Authority from this page:

Represents all Unused Obligational Authority summed across all programs, which illustrates the total amount of funds that will be deobligated from the CA.
