

**SUPPORTING STATEMENT
(Form 5452)**

1. CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION

Section 6042(d) of the Internal Revenue Code requires a corporation to furnish the IRS with a statement of facts pertaining to its accumulated earnings and profits that have been distributed during the year. Form 5452 provides such a statement.

2. USE OF DATA

Form 5452 provides the IRS with information necessary to verify the tax treatment of distributions claimed to be nontaxable.

3. USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN

We have no plans to offer electronic filing because of low filing volume compared to cost of electronic enabling.

4. EFFORTS TO IDENTIFY DUPLICATION

We have attempted to eliminate duplication within the agency wherever possible.

5. METHODS TO MINIMIZE BURDEN ON SMALL BUSINESSES OR OTHER SMALL ENTITIES

Not applicable.

6. CONSEQUENCES OF LESS FREQUENT COLLECTION ON FEDERAL PROGRAMS OR POLICY ACTIVITIES

Periodic meetings are held between IRS personnel and representatives of the American Bar Association, the National Society of Public Accountants, the American Institute of Certified Public Accountants, and other professional groups to discuss tax law and tax forms. During these meetings, there is an opportunity for those attending to make comments regarding Form 5452.

In response to our **Federal Register Notice** dated December 9, 2011 (76 FR 77051), we received no comments during the comment period regarding Form 5452.

13. **ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS**

As suggested by OMB, our **Federal Register Notice** dated **December 9, 2011**, requested public comments on estimates of cost burden that are not captured in the estimates of burden hours, i.e., estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. However, we did not receive any response from taxpayers on this subject. As a result, estimates of the cost burdens are not available at this time.

14. **ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT**

The primary cost to the government consists of the cost of printing Form 5452. We estimate that the cost of printing the form is \$500.

We are making this submission to renew the OMB approval.

Note: The following paragraph applies to all of the collections of information in this submission:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

OMB EXPIRATION DATE

We believe the public interest will be better served by not printing an expiration date on the form(s) in this package.

Printing the expiration date on the form will result in increased costs because of the need to replace inventories that become obsolete by passage of the expiration date each time OMB approval is renewed. Without printing the expiration date, supplies of the form could continue to be used.

The time period during which the current edition of the form(s) in this package will continue to be usable cannot be predicted. It could easily span several cycles of review and OMB clearance renewal. In addition, usage fluctuates unpredictably. This makes it necessary to maintain a substantial inventory of forms in the supply line at all times. This includes supplies owned by both the Government and the public. Reprinting of the form cannot be reliably scheduled to coincide with an OMB approval expiration date. This form may be privately printed by users at their own expense. Some businesses print complex and expensive marginally punched continuous versions, their expense, for use in their computers. The form may be printed by commercial printers and stocked for sale. In such cases, printing the expiration date on the form could result in extra costs to the users.

Not printing the expiration date on the form(s) will also avoid confusion among taxpayers who may have identical forms with different expiration dates in their possession.

For the above reasons we request authorization to omit printing the expiration date on the form(s) in this package.
