## REGISTRY OF RANDOMIZED CONTROLLED TRIALS

### LETTER OF COMMITMENT

DATE:

To the What Works Clearinghouse:

As part of (my/our) registration for listing a randomized controlled trial in the Registry of Randomized Controlled Trials for the What Works Clearinghouse (WWC), (I/we) understand that the purpose of the registry is to provide a public listing of completed or in-progress studies on the effectiveness of educational interventions.

(I/we) commit to using the highest standards of scientific evidence, as defined by the WWC,<sup>1</sup> for answering the research questions. Furthermore, (I/we) agree to make clear the degree to which the study will overcome or limit the threats to construct, internal, external, and statistical validity and the resulting implications of making appropriate causal claims.
