Authorization to Disclose Health Information to SSA Notice:

In order to process an Authorization to permit disclosure of your electronic health information to the Social Security Administration (SSA) through the Nationwide Health Information Network (NwHIN) for disability benefits, the Authorization must cover all types of health information, including information related to Human Immunodeficiency Virus (HIV), sickle cell anemia, drug abuse and alcoholism or alcohol abuse. VA is unable to remove HIV, sickle cell anemia, drug abuse and alcoholism or alcohol abuse information from your electronic health record prior to it being sent to SSA.

All of the boxes for the four protected conditions, drug abuse, alcoholism or alcohol abuse, testing for or infection with Human Immunodeficiency Virus (HIV), and sickle cell anemia under the VETERAN'S REQUEST section have been checked for you. **If you do not want to authorize the sharing of drug abuse, alcoholism or alcohol abuse, HIV or sickle cell anemia, you should not complete this Authorization.**

Even if you do not have any condition or information in your health record related to drug abuse, alcoholism or alcohol abuse, HIV or sickle cell anemia at this time, this Authorization must include permission to disclose this type of information. This means that if you acquire any of these conditions in the future, this Authorization will allow VA to share that information. Your Authorization will be valid for 2 years from the date of signature and will permit the disclosure of existing health information and health information created after you sign this Authorization. This includes diagnosis of HIV or sickle cell anemia, and treatment for drug abuse and alcoholism or alcohol abuse that occurs after the signature of this Authorization.

By completing this Authorization you are authorizing VA to share your electronic health information with SSA through NwHIN for the purposes relating to obtaining disability benefits. VA will continue to share your electronic health information through the NwHIN with SSA until this authorization expires (2 years from signature) or you revoke it.
