**PURPOSE OF THIS FORM**

The U.S. Government conducts criminal checks and Citizenship & Immigration Status Checks to establish that applicants or incumbents working for the Government under contract may have unescorted access to GSA-controlled facilities. GSA will use this form and the FBI form FD-258 Fingerprint Card to conduct a FBI National Criminal Information Check (NCIC) for each temporary contractor (working on contract 6 months or less and require physical access only) on GSA contracts for American Recovery and Reinvestment Act of 2009 efforts only. This form: authorizes the request for a NCIC and Citizenship & Immigration Status Check; describes the authority to collect and share the required information; and identifies the temporary contractor to GSA contract, building, and vendor information. A favorable entry on duty determination from the NCIC and Central Index Check System (CIS) is required to receive unescorted physical access to GSA-controlled facilities.

**AUTHORITY TO REQUEST THIS INFORMATION**

The Office of Management and Budget (OMB) Guidance M-05-24 for Homeland Security Presidential Directive (HSPD) 12 requires Federal departments and agencies to ensure that temporary contractors have limited/controlled access to facilities and information systems. GSA Directive CIO P 2181.1, Homeland Security Presidential Directive-12 Personal Identity Verification and Credentialing, provides that GSA temporary contractors must undergo a minimum of a FBI National Criminal Information Check (NCIC) and Citizenship & Immigration Status Check to receive unescorted physical access. DHS/ICE/FPS will transmit the access determination electronically to designated GSA officials and the temporary contractor's company.

**THE BACKGROUND CHECK PROCESS**

GSA submits this completed form and your 10-digit fingerprints on the FBI Form FD-258 Fingerprint Card to the U.S. Department of Homeland Security Immigration and Customs Enforcement, Federal Protective Service (DHS/ICE/FPS) to process the background investigation request per the terms of agreement in two separate Memorandums of Agreement (MOAs) between GSA and DHS/ICE/FPS. DHS/ICE/FPS conducts a pre-employment name check through the National Crime Information Center (NCIC), Interstate Identification Index (III), Citizenship & Immigration Status Check, and a wanted person file; and forwards your fingerprints to the FBI to conduct a national fingerprint background check. The FBI provides the FBI Identification Record which lists information taken from fingerprint submissions retained by the FBI in connection with arrests and, in some instances, Federal employment, naturalization, or military service, to DHS/ICE/FPS to make a determination for unescorted physical access. DHS/ICE/FPS will transmit the access determination electronically to designated GSA officials and the temporary contractor's company.
