PART I.—GENERAL INFORMATION

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 50 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

I-1. **OMB statistics.**--Please provide the following information: the time required by your firm to complete this questionnaire; the cost to your firm to complete this questionnaire; and any comments you may have for improving this questionnaire in general or the clarity of specific questions.

Time: _____ hours

Cost: _____ dollars

Comments: _____

I-2. **Establishments covered.**--Provide the name and address of establishment(s) covered by this questionnaire (see page 3 of the instruction booklet for reporting guidelines). If your firm is publicly traded, please specify the stock exchange and trading symbol.

II-3c. **Constraints on production.**--Please describe the constraint(s) that set the limit(s) on your production capacity.

II-3d. **Production shifting.**--Is your firm currently able to switch production between wind towers and other products in response to a relative change in the price of wind towers vis-a-vis the price of other products, using the same equipment and labor?

- No Yes---Please identify the other products, the approximate time and cost involved in switching, and the minimum relative price change required for your firm to switch production to or from wind towers.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-4. **Anticipated product shifting** --Does your firm anticipate producing in the future, other products on the same equipment and machinery used in the production of wind towers and/or using the same production and related workers employed to produce wind towers?

- No Yes—Please describe the product(s) and the time period when production is expected to begin.

II-5. **Tolling**.--Since January 1, 2009, has your firm been involved in a toll agreement (see definition in the instruction booklet) regarding the production of wind towers?

- No Yes--Name firm(s): _____.

II-6. **Foreign trade zone**.--Does your firm produce wind towers in a foreign trade zone (FTZ)?

- No Yes--Identify FTZ(s): _____.

II-7. **Importer**.--Since January 1, 2009, has your firm imported wind towers?

- No Yes--**COMPLETE AND RETURN A U.S. IMPORTERS' QUESTIONNAIRE**

PART II.--TRADE AND RELATED INFORMATION--Continued

II-8. **Trade data.**--Report your firm's production capacity, production, shipments, inventories, and employment related to the production of wind towers in your U.S. establishment(s) during the specified periods. (See definitions in the instruction booklet.)

III-2. **Accounting system.**--Briefly describe your financial accounting system.

- A. When does your fiscal year end (month and day)? _____
If your fiscal year changed during the period examined, explain below:

- B.1. Describe the lowest level of operations (e.g., plant, division, company-wide) for which financial statements are prepared that include wind towers:

- 2. Does your firm prepare profit/loss statements for the wind towers:
 Yes No
- 3. Accounting basis: U.S. GAAP, IFRS, cash, tax, or other comprehensive basis of accounting (specify) _____

Note: The Commission may request that your company submit copies of its financial statements, including internal profit-and-loss statements for the division or product group that includes wind towers, as well as those statements and worksheets used to compile data for your firm's questionnaire response.

III-3. **Cost accounting system.**--Briefly describe your cost accounting system (e.g., standard cost, job order cost, etc.).

III-4. **Allocation basis.**--Briefly describe your allocation basis, if any, for COGS, SG&A, and interest expense and other income and expenses.

PART III.--FINANCIAL INFORMATION--Continued

III-5. **Other products.**--Please list the products you produced in the facilities in which you produced wind towers, and provide the share of net sales accounted for by these products in your most recent fiscal year:

III-8. **Inputs from related firms at cost.**--All intercompany profit on inputs purchased from related parties should be eliminated from the costs reported to the Commission in question III-10 (i.e., costs reported in question III-10 should only reflect the related party's cost and not include an associated profit component). Reasonable methods for determining and eliminating the associated profit on inputs purchased from related parties are acceptable.

Has your firm complied with the Commission's instructions regarding costs associated with inputs purchased from related parties?

Yes No--Please contact David Boyland (202-708-4725, david.boyland@usitc.gov).

PART III.--FINANCIAL INFORMATION--Continued

III-9. Nonrecurring items (charges and gains) included in reported wind towers financial results.

-For each annual and interim period for which financial results are reported in question III-10, please specify all material (significant) nonrecurring items (charges and gains) in the schedule below, the specific table III-10 line item where the nonrecurring items are included, a brief description of the relevant nonrecurring items, and the associated values (*in \$1,000*), as reflected in table III-10; i.e., if an aggregate nonrecurring item has been allocated to table III-10, only the allocated value amount included in table III-10 should be reported in the schedule below. Note: The Commission's objective here is to gather information only on material (significant) nonrecurring items which impacted the financial results on wind towers as reported in table III-10.

PART III.--FINANCIAL INFORMATION--Continued

III-11. **Asset values.**--Report the total assets (i.e., both current and long-term assets) associated with the production, warehousing, and sale of wind towers. If your firm does not maintain some or all of the specific asset information necessary to calculate total assets for wind towers in the normal course of business, please estimate this information based upon a method (such as production, sales, or costs) that is consistent with your cost allocations in the previous question. Provide data as of the end of your three most recently completed fiscal years in chronological order from left to right.

Note: Total assets should reflect net assets after any accumulated depreciation and allowances deducted. Total assets should be allocated to the subject products if these assets are also related to other products. Please provide a brief explanation if there are any substantial changes in total asset value during the period; e.g., due to asset write-offs, revaluation, and major purchases.

Please indicate whether and to what extent these requirements vary by location. Please specify the factors considered when selecting a wind tower production location: _____

III-14. **Data consistency and reconciliation.**--Please indicate whether your financial data for questions III-10, 11, and 12 are based on a calendar year or your fiscal year:

- Calendar year
- Fiscal year (specify _____)

Please note the quantities and values reported in question III-10 should reconcile with the data reported in question II-8 (including export shipments) as long as they are reported on the same calendar year basis.

Do these data in question III-10 reconcile with data in question II-8?

- Yes No--Please explain _____

PART III.--FINANCIAL INFORMATION--Continued

III-15. **Effects of imports**--Since January 1, 2009, has your firm experienced any actual negative effects on its return on investment or its growth, investment, ability to raise capital, existing development and production efforts (including efforts to develop a derivative or more advanced version of the product), or the scale of capital investments as a result of imports of wind towers from China and Vietnam?

- No Yes--My firm has experienced actual negative effects as follows:
- Cancellation, postponement, or rejection of expansion projects
 - Denial or rejection of investment proposal
 - Reduction in the size of capital investments
 - Rejection of bank loans
 - Lowering of credit rating
 - Problem related to the issue of stocks or bonds
 - Other (specify) _____
