

FOREIGN PRODUCERS' QUESTIONNAIRE

LOW ENRICHED URANIUM FROM FRANCE

This questionnaire must be received by the Commission by no later than **July 16, 2013**

See page 4 of the Instruction Booklet for filing instructions.

The information called for in this questionnaire is for use by the United States International Trade Commission in connection with its antidumping review concerning low enriched uranium (LEU) from France (inv. No. 731-TA-909 (Second Review)). The information requested in the questionnaire is requested under the authority of the Tariff Act of 1930, title VII

<p>Name of firm _____</p> <p>Address _____</p> <p>_____</p> <p>World Wide Web address _____</p> <p>Has your firm produced or exported low enriched uranium ("LEU") (as defined in the instruction booklet) at any time since January 1, 2007?</p> <p><input type="checkbox"/> NO (Sign the certification below and promptly return only this page of the questionnaire to the Commission)</p> <p><input type="checkbox"/> YES (Read the instruction booklet carefully, complete all parts of the questionnaire, and return the entire questionnaire to the Commission so as to be received by the date indicated above)</p> <p>Return questionnaire via the U.S. International Trade Commission Drop Box by clicking on the following link: https://dropbox.usitc.gov/oinv/. (use the following PIN: LEU2)</p>

CERTIFICATION

I certify that the information herein supplied in response to this questionnaire is complete and correct to the best of my knowledge and belief and understand that the information submitted is subject to audit and verification by the Commission.

By signing this certification I also grant consent for the Commission, and its employees and contract personnel, to use the information provided in this questionnaire and throughout this review in any other import-injury investigations or reviews conducted by the Commission on the same or similar merchandise. (If you do not consent to such use, please note the certification accordingly.)

I acknowledge that information submitted in this questionnaire response and throughout this review may be used by the Commission, its employees, and contract personnel who are acting in the capacity of Commission employees, for developing or maintaining the records of this review or related proceedings for which this information is submitted, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3. I understand that all contract personnel will sign non-disclosure agreements.

PART I.—GENERAL INFORMATION

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 30 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

I-1. **OMB statistics.**-- (a) Please report below the actual number of hours required and the cost to your firm of preparing the reply to this questionnaire and completing the form.

_____ hours _____ dollars

OMB feedback.-- (b) We are interested in any comments you may have for improving this questionnaire in general or the clarity of specific questions. Please attach such comments to your response or send them to the above address.

I-2. **Establishments covered.**--Provide the name and address of establishment(s) covered by this questionnaire (see pages 3-4 of the instruction booklet for reporting guidelines). If your firm is publicly traded, please specify the stock exchange and trading symbol.

I-3. **U.S. importers.**--Please provide the names, street addresses (not P.O. boxes), contacts, telephone numbers, and e-mail addresses of the **FIVE** largest U.S. importers of your firm's LEU in 2012.

PART I.--GENERAL INFORMATION--Continued

I-4. **Business plan.**--In Parts II and III of this questionnaire we request a copy of your company's business plan. Does your company or any related firm have business plans, presentations, business proposals, or any internal documents that describe, discuss, or analyze expected future market conditions for LEU?

- No Yes--Please provide the requested documents. If you are not providing the requested documents, please explain why not.

I-5. **U.S. production.**--Does your firm or any related firm produce, have the capability to produce, or have any plans to produce LEU in the United States or other countries?

- No Yes--Please name the firm(s) and countries below and, if U.S. producer(s), ensure that they complete the Commission's producer questionnaire (contact Chris Cassise; 202-708-5408; chris.cassise@usitc.gov, for copies of that questionnaire).

I-6. **U.S. importation.**--Does your firm or any related firm import or have any plans to import LEU into the United States?

- No Yes--Please name the firm(s) below and ensure that they complete the Commission's importer questionnaire (contact Chris Cassise; 202-708-5408; chris.cassise@usitc.gov, for copies of that questionnaire).

PART II.--TRADE AND RELATED INFORMATION

Further information on this part of the questionnaire can be obtained contact Chris Cassise; 202-708-5408; chris.cassise@usitc.gov Supply all data requested on a calendar-year basis.

II-1. **Contact information.**--Please identify the responsible individual and the manner by which Commission staff may contact that individual regarding the confidential information submitted in part II.

II-2. **Changes in operations.**--Please indicate whether your firm has experienced any of the following changes in relation to the production of LEU since January 1, 2007.

- (check as many as appropriate)* *(please describe)*
- plant openings _____

 - plant closings..... _____

 - relocations _____

 - expansions..... _____

 - acquisitions..... _____

 - consolidations..... _____

 - prolonged shutdowns or
production curtailments..... _____

 - revised labor agreements..... _____

 - other (*e.g.*, technology) _____

PART II—TRADE AND RELATED INFORMATION--Continued

II-3. **Anticipated changes in operations.**--Does your firm anticipate any changes in the character of your operations or organization (as noted above) relating to the production of LEU in the future?

- No Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portion of business plans or other supporting documentation, that address this issue. Include in your response a specific projection of your firm's capacity to produce LEU (in 1,000 kgs of enriched U) for 2013 and 2014.

II-4. **Anticipated changes in operations in the event the order is revoked.**--Would your firm anticipate any changes in the character of your operations or organization (as noted above) relating to the production of LEU in the future if the antidumping duty order on LEU from France were to be revoked?

- No Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portion of business plans or other supporting documentation, that address this issue.

II-5. Describe the production technology used in the production of LEU in France and identify major production inputs. Also discuss any significant changes in production technology since January 1, 2007. Why did your firm decide to proceed with George Besse II and not Eagle Rock? In addition, what do you think will be the competitive impact of USEC's American Centrifuge Program?

PART II—TRADE AND RELATED INFORMATION--Continued

II-6. (a) Describe your firm's or any related firm's relationship with the ETC (Enrichment Technology Company, Ltd) joint venture or its owners. Please provide the names of all other entities which are involved in the venture (with shares of ownership). Please also provide a description of the venture.

(b) Have any of the other owners of the venture supplied you or your customers with LEU in order to meet delivery obligations of your in the United States that would otherwise have been met with subject LEU? If so, please provide details of the quantities supplied (in kgs of U), quantity of SWU in the SWU component of such LEU, the dates provided, the prices paid by you under these arrangements, the manner in which the LEU was supplied, and to which U.S. customers it was provided.

(c) Do you have any arrangements or agreements with the aforementioned owner or any of its subsidiaries to supply LEU to you or your customers in order to meet your firm's delivery obligations in the United States in the next five years that would otherwise have to be met with subject LEU? If so, please provide details of the quantities to be supplied (in kgs of U), quantity of SWU in the SWU component of such LEU, the dates on which it will be provided, the prices to be paid by you under these arrangements, the manner in which the LEU will be supplied and the U.S. customers to which it will be provided.

II-7. **Same equipment, machinery, and workers.**--Has your firm since January 1, 2007 produced, or does your firm anticipate producing in the future, other products on the same equipment and machinery used in the production of LEU?

No Yes--List the following information and report your firm's combined production capacity and production of these products and LEU in the periods indicated.

<u>Product</u>	<u>Period</u>	<u>Basis for allocation of capacity data</u>

PART II—TRADE AND RELATED INFORMATION--Continued

II-13. Does your firm or any related firm have contracts, agreements or other arrangement with producers of natural uranium products in third countries under which your firm can obtain natural uranium for enrichment?

- No Yes--Please describe these contracts, agreements and other arrangements, including the quantities of natural uranium that you can obtain, and supply supporting documentation.

II-14. Has your firm, in the last five years, solicited, negotiated, signed, or been solicited to negotiate or sign any firm or conditional contracts with U.S. customers for the supply in the future of any uranium products, including the supply of natural uranium concentrates, natural uranium hexafluoride, or EUP, conversion or enrichment?

- No Yes--Please describe the contracts, correspondence, proposals, or solicitations.

II-15. **Production shifting.**--Is your firm able to switch production between LEU and other products in response to a relative price change in the price of LEU vis-a-vis the price of other products, using the same equipment and labor?

- No Yes--Please identify below the other products, the approximate time and cost involved in switching, and the minimum relative price change required for your firm to switch production to or from LEU.

PART II—TRADE AND RELATED INFORMATION--Continued

II-16. **Inventories in the United States.**-- (a) Has your firm or any affiliated party, maintained any inventories of uranium products, including LEU, in the United States (not including inventories held by firms identified in questions I-3, I-5, or I-6 above) since January 1, 2007?

No Yes--Report the quantity of such end-of-period inventories below.

II-17. **Barriers.**-- (a) Are your firm's exports of LEU subject to tariff or non-tariff barriers to trade (for example, antidumping or countervailing duty findings or remedies, tariffs, quotas, or regulatory barriers) in any countries other than the United States?

No Yes--Please describe the barrier.

(b) Are your firm's exports of LEU subject to current investigations in any countries other than the United States that might result in tariff or non-tariff barriers to trade?

No Yes--List the products(s), country(ies), and the type of barrier.

II-18. **Barriers.**--Is your firm aware of any tariff or non-tariff barriers to exports of LEU to France or the European Union, such as, but not limited to, the Corfu Declaration?

No Yes--Please describe the barrier, and, if applicable, provide a copy of the Corfu Declaration.

PART II—TRADE AND RELATED INFORMATION--Continued

II-19. **Other export markets.**--Identify export markets (other than the United States) that you have developed or where you have increased your sales of LEU as a result of the antidumping duty orders on LEU from France. Please identify and discuss below.

II-20. **Significance of countervailing duty/antidumping duty order.**--Describe the significance of the existing antidumping duty order covering imports of LEU from France in terms of its effect on:

(a) Your firm's production capacity, production, home market shipments, exports to the United States and other markets, and inventories. You may wish to compare your firm's operations before and after the imposition of the order.

(b) Your firm's contracting practices, terms, coverage, etc.

II-21. **Anticipated changes if order revoked.**--Would your firm anticipate any changes in its production capacity, production, home market shipments, exports to the United States and other markets, or inventories relating to the production of LEU in the future if the antidumping duty order on LEU from France were to be revoked?

No Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, for any trends or projections you may provide.

PART II—TRADE AND RELATED INFORMATION--Continued

II-22. Please give the average product and tail assays for the LEU for which you report quantities in questions II-20. If there is a significant variation in these assays, please attach a description of the variation to the appropriate page and identify which quantities reported the variation applies to.

II-23. Do you produce any LEU by any means other than enrichment of natural UF₆?

- No Yes--Identify the quantities in kg of enriched U produced by the method used (e.g., enrichment of slightly enriched UF₆, blending down of HEU, etc.).

(b) Please describe the impact of these parameter changes on your firm's production, sales, and profitability.

PART II—TRADE AND RELATED INFORMATION--Continued

II-27. Please describe how the scheduled termination of the HEU agreement in 2013 will impact your firm.

II-28. (a) Please discuss how reprocessing of uranium is changing and is likely to change in the foreseeable future in France, the United States and other countries.

(b) Please describe the impact of these changes on your firm's production, sales, and profitability.

II-29. (a) Please discuss your progress in completing a gaseous centrifuge plant or any other new enrichment facility, and how this development is likely to impact your operations.

(b) Please discuss your evolving strategy regarding the disposition of depleted uranium. Has your firm enriched depleted uranium and/or does it plan to do so within the next five years?

PART III.—MARKET FACTORS

Further information on this part of the questionnaire can be obtained from Aimee Larsen (202-205-3179, aimee.larsen@usitc.gov)

III-5. **Raw materials.**--To what extent have changes in the prices of raw materials affected your firm's selling prices for LEU since January 1, 2007? Also discuss any anticipated changes in your raw material costs.

PART III.—MARKET FACTORS--Continued

III-6. **Changes in factors affecting supply.**--Have any changes occurred in any other factors affecting supply (e.g., changes in availability or prices of energy or labor; transportation conditions; production capacity and/or methods of production; technology; export markets; or alternative production opportunities) that affected the availability of France-produced LEU in the U.S. market since January 1, 2007?

No Yes-- Please describe.

III-7. **Availability of SUBJECT import supply.**--

(a) Do you anticipate any changes in terms of the availability of LEU produced in France in the U.S. market in the future?

Increase No change Decrease

(b) If you anticipate changes in supply, please identify the changes, including the time period and the impact of such changes on shipment volumes and prices.

III-8. **Product shifting.**--Describe your firm's ability to shift sales of LEU between the U.S. market and alternative country markets. In your discussion, please describe any contracts, other sales arrangements, or other constraints (including any third-country trade barriers such as tariffs, quotas, or other non-tariff barriers) that would prevent or retard your firm from shifting LEU between the U.S. and alternative country markets within a 12-month period.

PART III.—MARKET FACTORS--Continued

III-9. **Product range.**--Is the product range, product mix, or marketing of LEU in your home market different from that of LEU for export to the United States or to third-country markets?

No Yes—Please explain.

III-10. **Product changes.**--Have there been any significant changes in the product range, product mix, or marketing of LEU in your home market, for export to the United States, or for export to third-country markets since January 1, 2007? Do you anticipate any future changes?

III-17. **Price differences.**--Please compare market prices of LEU in your home market, the United States, and third-country markets.

III-18. **Description of home market.**--Describe briefly your home market and the EU market for LEU, including the number of, and competition between, producers.

PART III.—MARKET FACTORS--Continued

III-19. **Import competition.**--Do you face competition from imports of LEU in your home market?

- No Yes--Please identify the country sources of any imports of LEU into your home market.

III-20. **Market studies.**--Please provide as a separate attachment to this request any studies, surveys, etc. that you are aware of that quantify and/or otherwise discuss LEU supply (including production capacity and capacity utilization) and demand in (1) the United States, (2) each of the other major producing/consuming countries, including France, and (3) the world as a whole. Of particular interest is such data from 2007 to the present and forecasts for the future.

III-21. Please discuss your firm's, or affiliated firm's, agreement with any electricity suppliers, such as EDF (Électricité de France), to supply SWU and/or EUP in exchange for electricity, and how this agreement has changed since January 1, 2007.

III-22. Please discuss the likelihood of future large-scale U.S., Russian, or any other country production and sales of LEU product blended-down from highly enriched uranium, including both uranium from existing inventories and/or new production, and identify any technical and/or commercial roadblocks to such production/sales. In addition, discuss any possible changes in the domestic French uranium industry that might be expected to result from such production/sales, especially the impact on your domestic producers/facilities that produce uranium concentrates, natural UF₆, and conversion and enrichment products. Also discuss the likely impact of such product on your firm's plans for future uranium production in your country. Specify the time period involved.
