#### FOREIGN PRODUCERS'/EXPORTERS' QUESTIONNAIRE

# WELDED STAINLESS STEEL PRESSURE PIPE FROM MALAYSIA, THAILAND, AND VIETNAM

This questionnaire must be received by the Commission by no later than May 30, 2013

See page 4 of the Instruction Booklet for filing instructions.

The information called for in this questionnaire is for use by the United States International Trade Commission in connection with its antidumping investigations concerning welded stainless steel pressure pipe from Malaysia, Thailand, and Vietnam (Inv. Nos. 731-TA-1210-1212 (Preliminary)). The information requested in the questionnaire is requested under the authority of the Tariff Act of 1930, title VII.

#### PART I.—GENERAL INFORMATION

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 20 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

. 11	hoursdollars
[-1b.	OMB feedbackWe are interested in any comments you may have for improving this
	questionnaire in general or the clarity of specific questions. Please attach such comments to your
	response or send them to the above address.
[-2.	<b>Establishments covered</b> Provide the name and address of establishment(s) covered by this
	questionnaire (see page 3 of the instruction booklet for reporting guidelines). If your firm is
	publicly traded, please specify the stock exchange and trading symbol.

I-3. <u>U.S. importers</u>.--Please provide the names, street addresses (not P.O. boxes), contacts, telephone numbers, and e-mail addresses of the <u>FIVE</u> largest U.S. importers of your firm's welded stainless steel pressure pipe in 2012.

#### PART II.--TRADE AND RELATED INFORMATION--Continued

II-10. Report your firm's production capacity, production, shipments, and inventories related to the production of welded stainless steel pressure pipe in your establishment(s) in Malaysia, Thailand, or Vietnam during the specified periods. (See definitions in the instruction booklet.) Do not submit data on multiple countries combined, the establishments reported here should all be located in the country of the firm's address reported on the certification page. Multinational companies with production in multiple subject countries should submit separate foreign producer questionnaire responses for each subject country.
