

Strategic Programs Branch Website User Survey 2011

1. Introduction

The National Agricultural Library (NAL) is conducting a survey of website users. The information gathered by this survey will help us with content development and website design. The survey consists of 12 questions and will take 3-5 minutes to complete. Thank you for your time.

NOTE: Public reporting burden for this collection of information is estimated to average 3-5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NAL, Information Systems Division, 10301 Baltimore Ave., Beltsville, MD 20705-2351, ATTN: PRA (0518-0040) John Gladstone.
