2009

Estimates of production, use and season average price for the 2009 sweet cherry crop are being prepared. Response to this survey is voluntary and not required by law. However, cooperation is very important in order to estimate Michigan sweet cherry utilization and value accurately. Individual reports will be kept confidential. Please promptly return this report in the enclosed postage paid envelope, or fax it to (517) 324-5299.

Please make corrections to name, address and Zip Code, if necessary.
