We are preparing end-of-season estimates for production, utilization, and average prices received by growers for the 2009 Oregon prune and plum crop. Response to this survey is voluntary and not required by law, but your assistance is needed to ensure accurate results. Individual reports remain confidential and are only used in summary with others to compute State totals. Thank you for your assistance.

Please make corrections to name, address, and Zip Code if necessary.

1

<b>Oregon Grown Prunes &amp; Plums - 2009 Crop</b>				
<b>Variety</b>				
	Early Italians	Italians	President Plums	Empress
Number of tons received for fresh sales				
Number of tons sold				
FOB return per ton for all grades sold				
Cost of packing and handling per ton sold				
Net return to the grower at packing house door				

Of all prunes received, were any sent to processors? If yes, please indicate the name of the processor and amount diverted (not to be included above).

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB number is 0535-0039. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
