Email: nass-ms@nass.usda.gov

The information requested in this survey is needed to forecast production of the **2009** blueberry crop. Response is voluntary and not required by law. However, your report is needed to make the estimates as accurate as possible, even if you do not expect any production.

Please complete and return this report in the enclosed envelope which does not need a stamp. Your individual report is confidential and used only with other reports for statistical purposes. Thanks very much for your cooperation.

Please make corrections to name, address and Zip Code, if necessary.

1. Acres of bearing age blueberries under your operation this year (2009).....	075	•	_____

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0535-0039. The time required to complete this information collection is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
