The Wisconsin Field Office of USDA'S National Agricultural Statistics Service is estimating production, value, and disposition of the 2008 cranberry crop. In order to have reliable figures, we contact processors in Wisconsin for the information listed below. Response to this survey is voluntary and not required by law. However, your cooperation in supplying this information is appreciated. Your report will be held **confidential** and will be used only in developing estimates of total production and the value of the crop.

Please respond by using our toll-free Fax number at 1-800-838-6277. Thank you for your assistance.

Please make corrections to name, address and Zip Code, if necessary.
