According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0535-0039. The time required to complete this information collection is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

This Wine Grape Report is a collaborative effort between the USDA's National Agricultural Statistics Service (NASS) and the Washington State Wine Commission (WSWC). Section A-C meets the requirements of Washington State Law (RCW 15.88.130) to assess for wine grape sales in the state of Washington. Section D-E data will be summarized and published in USDA's *Annual Grape Report*. Response to section D-E is voluntary, but important for the wine grape industry. You may skip any question(s) you prefer not to answer. Individual reports are accessible to the NASS and the WSWC. Under Title 7 of the U.S. Code and CIPSEA (Public Law 1007-347) all reported data about your operation are kept confidential.
