Please make corrections to name, address and Zip Code, if necessary.

Information requested in this survey is used to prepare estimates of selected agricultural commodities. Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept **confidential** and used only for statistical purposes in combination with similar reports from other producers. Response is **voluntary**.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB number is 0535-0007. The time required to complete this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Please complete this questionnaire within the next few days and return it to us in the enclosed envelope to insure correct and prompt delivery. No stamp is required. You may fax your completed report to 1-800-842-1331.

- Report the total quantity of all rice, from 2010 and earlier and 2011 new crop, by length of grain classes stored in this facility, or in transit from this facility, regardless of ownership and intended uses.
- Stocks in transit should include rice controlled by your operation in transit between mills or warehouses and port facilities on October 1, 2011. Include any rice loaded aboard ship from your docks for which no ocean bill of lading has been issued.
- Government (CCC) owned rice stored in this facility should be included as well as all other rice stored here.
- Include rice to be used for seed.
- Remember to include rice stored on the ground or in structures not normally used at the beginning of business October 1, 2011
- Report milled rice (bulk and packaged) in equivalent 100-pound bags. Enter "0" if the answer for an item is none.
