

APPENDIX C SuperTracker Screenshot – OMB Burden Statement

SuperTracker:

My foods. My fitness. My health.

- Get your personalized nutrition and physical activity plan.
- Track your foods and physical activities to see how they stack up.
- Get tips and support to help you make healthier choices and plan ahead.

The main content area features several interactive tool cards and a "Get Started" section. The cards include:

- Food-A-Pedia >**: Look up nutrition info for over 8,000 foods and compare foods side-by-side. Includes a search input field and a dropdown menu.
- Food Tracker >**: Track the foods you eat and compare to your nutrition targets. Includes a search input field and a dropdown menu.
- Physical Activity Tracker >**: Enter your activities and track progress as you move. Includes a search input field and a dropdown menu.
- My Weight Manager >**: Get weight management guidance, enter your weight and track progress over time. Includes an image of a scale.
- My Top 5 Goals >**: Choose up to 5 personal goals, sign up for tips and support from your virtual coach. Includes an image of a checklist.
- My Reports >**: Use reports to see how you are meeting goals and view your trends over time. Includes an image of a report.

The "Get Started >" section encourages users to "Find out what and how much to eat. Personalize your experience by creating your profile, and get a plan tailored for you." It features a "Create Your Profile" button and the text "Or, use the general plan." Below this is an image of a family (a man, a woman, and a child) sitting at a table.

The screenshot displays the SuperTracker website interface. At the top, there is a navigation bar with the SuperTracker logo and the USDA United States Department of Agriculture. Below this, a secondary navigation bar includes links for Home, Food-A-Pedia, My Plan, Track Food & Activity, My Reports, and My Features. The main content area is titled 'Create Your Profile' and is divided into three steps:

- Step 1: Personalize Your Profile** - This section asks for personal details like height and weight. It includes input fields for Height (feet and inches), Age, Gender, and Physical Activity level. A 'What's your level of physical activity?' dropdown menu is present, with a detailed explanation of activity levels (Sedentary, Light, Moderate, Vigorous) and their health benefits.
- Step 2: Register to Save Your Profile** - This section requires registration. It includes fields for Username, Password, Re-enter Password, Password Hint, Password Security Question, Your Name, and Email Address. Each field has a 'No Enter' label and a 'Go' button. A 'Submit' button is located at the bottom right of this section.
- Step 3: Submit to View Your Plan** - This section contains a 'Submit' button and a 'Go Back' button.

At the bottom of the page, there is a footer with contact information and a privacy policy link.

Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-0535 (expiration date: July 31, 2012). The time required to complete this information collection is estimated to average 12 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

My Combo

Link and save foods that you normally eat together. [Learn more about My Combo](#)

Build your combo in 3 easy steps:

Step 1 Search for and add individual foods to a list. Items to add come from your Favorite Foods list below.

Search: All Foods Search Tip

Step 2 Give the combo a unique name.

Tip: Give your combo a descriptive name like Paul's Breakfast Sandwich.

Step 3 Save when you're done adding.

Your combo will now be ready to add to meals from your Favorite Foods list.

*Calories burned are estimates only for an average person performing the activity.
 †Moderate Intensity Equivalent (MIE) Minutes: Every minute of vigorous activity counts as two minutes of moderate activity. For example, 30 minutes of vigorous activity is equivalent to 60 MIE minutes. Light intensity activity and activity less than 10 minutes in duration do not count toward MIE minutes. Although, any activity is always better than none!
