

Census Jobs!

U.S. DEPARTMENT OF COMMERCE • Economics and Statistics Administration • U.S. CENSUS BUREAU

The Census Bureau is an Equal Opportunity Employer

A UNIQUE OPPORTUNITY: EARN MONEY WHILE YOU SERVE YOUR COMMUNITY

The U.S. Census Bureau is offering temporary short-term positions in support of the 2020 Census. While working on the 2020 Census, you will be serving your country and making a difference in your community. Thousands will be hired to ensure that every resident of the United States is counted.

DUTIES

We need local residents for a variety of opportunities, including interviewing, office administration, and supervision. A large part of these jobs involve dealing with the public. Most of the jobs are in the field, and require you to locate and conduct interviews with neighbors who fail to return their census questionnaire.

The information you collect is confidential and must not be disclosed to anyone who has not sworn to protect Census Bureau information.

TRAINING

If selected, you will attend a paid training session where you will learn how to complete census forms, how to read census maps and be provided with census interviewing techniques. In most cases, your supervisor will train you, assign and review your work, and answer questions.

WHEN YOU WILL WORK

MOST jobs will be short term (4 to 8 weeks) and ALL jobs will be temporary. Your actual work hours per week and length of employment are subject to work availability. Your most productive hours will vary based on the type of Census operation. For operations that require contact with the public to complete interviews, your availability to work when people are home is critical. The late afternoon, evening, and weekend hours are the most productive times to work on these operations. For operations that require you to locate and list housing units, your availability to work daylight hours will be critical. You generally will have flexibility to choose which hours to work during these productive time periods.

PAY

You will be paid for hours worked including time spent in training. Social Security deductions will be taken from your earnings. Federal, state, and local income taxes, where applicable, also will be deducted. For field work, you will be reimbursed for authorized mileage and other expenses incurred while working.

HOW CAN YOU QUALIFY FOR CENSUS WORK?

1. Noncitizens will only be considered for census jobs if qualified citizens are not available, particularly in areas where bilingual ability is a necessary qualification. You must present documentation of employment eligibility. The types of acceptable documentation are listed on the reverse side of this page.
2. You must be 18 years or older to be hired.
3. You must have a valid Social Security Number.
4. Applicants must take a written test of basic skills. The test may be taken in Spanish, upon request, along with an English Proficiency Test.
5. Most census jobs require the employee to conduct face-to-face interviews with respondents. This involves visiting respondents in a variety of residence types, asking questions and recording responses.
6. Male applicants born after December 31, 1959, must be registered with the Selective Service System.
7. The Census Bureau performs criminal background checks and reviews criminal records (including fingerprinting) as part of assessing applicants' past conduct and suitability for employment.
8. You will not engage in any partisan political activity while on duty.
9. All non-census employment (including law and regulatory enforcement jobs) will be reviewed on a case-by-case basis for compatibility with Census Bureau employment.
