Instructions

APPLICATION TO TRANSFER QS/IFQ TO, OR FROM, A COMMUNITY QUOTA ENTITY (CQE)

This application is to be used **ONLY** to apply for a transfer of quota share (QS) or individual fishing quota (IFQ) to or from a CQE. If a CQE is not a party to the proposed transfer, another application should be used.

Any party to whom the QS/IFQ is proposed to be transferred must hold a Transfer Eligibility Certificate (TEC).

If the application is to permanently transfer QS from a CQE to another party, the application must be signed by a representative of the community for whom the CQE holds the QS.

GENERAL INFORMATION

The halibut and sablefish IFQ Program is administered by the Restricted Access Management (RAM) Program of the Alaska Region, National Marine Fisheries Service (NMFS). Transfers of all Quota Share (QS) and its associated annual individual fishing quota (IFQ) must be approved, in advance, by RAM.

The IFQ Program provides opportunities for small communities located on the coast of the Gulf of Alaska to hold, and to fish, QS and IFQ. Such communities are represented by Community Quota Entities (CQEs), who must use a special application to provide for transfers of QS/IFQ to and from (and between) CQEs. These instructions are designed to help you to use that special transfer application form. Some general rules pertain, as follows:

- Please submit a separate application for each proposed QS or IFQ permit transfer.
- Please complete the entire application, including all attachments; failure to do so could result in delays in the processing of your application.
- Please submit an original application only -- a photocopy of an application, or an application submitted by facsimile will not be processed.
- RAM will not process an application that does not bear original signatures (faxed applications will be returned). All signatures must be witnessed by a Notary Public (or, in some remote areas, the community Postmaster or Postmistress).
- An application submitted and signed by an agent for a party to the transfer will not be processed unless clear and unambiguous certification of the agent's authority to do so is provided

When completed, submit the original application

By mail to: **Alaska Region, National Marine Fisheries Service
Restricted Access Management (RAM)
P.O. Box 21668
Juneau, AK 99802-1668**

or deliver to: **Room 713, Federal Building
709 West 9th Street**

Please allow at least **ten working days** for your application to be processed. Without exception, RAM processes applications in the order in which they are received.

Items will be sent to you by first class mail, unless you provide alternate instructions and include a prepaid mailer with appropriate postage or corporate account number for express delivery.

If you have any questions, or if you need any assistance in completing the application, please contact RAM as follows:
