

Public Law 98-474
98th Congress

An Act

Oct. 12, 1984
[H.R. 3979]

To establish a national program to increase the availability of information on the health consequences of smoking, to amend the Federal Cigarette Labeling and Advertising Act to change the label requirements for cigarettes, and for other purposes.

Comprehensive
Smoking Edu-
cation Act.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SHORT TITLE

15 USC 1331
note.

SECTION 1. This Act may be cited as the "Comprehensive Smoking Education Act".

PURPOSE

15 USC 1331
note.

SEC. 2. It is the purpose of this Act to provide a new strategy for making Americans more aware of any adverse health effects of smoking, to assure the timely and widespread dissemination of research findings and to enable individuals to make informed decisions about smoking.

SMOKING RESEARCH, EDUCATION, AND INFORMATION

15 USC 1341.

SEC. 3. (a) The Secretary of Health and Human Services (hereinafter in this section referred to as the "Secretary") shall establish and carry out a program to inform the public of any dangers to human health presented by cigarette smoking. In carrying out such program, the Secretary shall—

(1) conduct and support research on the effect of cigarette smoking on human health and develop materials for informing the public of such effect;

(2) coordinate all research and educational programs and other activities within the Department of Health and Human Services (hereinafter in this section referred to as the "Department") which relate to the effect of cigarette smoking on human health and coordinate, through the Interagency Committee on Smoking and Health (established under subsection (b)), such activities with similar activities of other Federal agencies and of private agencies;

(3) establish and maintain a liaison with appropriate private entities, other Federal agencies, and State and local public agencies respecting activities relating to the effect of cigarette smoking on human health;

(4) collect, analyze, and disseminate (through publications, bibliographies, and otherwise) information, studies, and other data relating to the effect of cigarette smoking on human health, and develop standards, criteria, and methodologies for improved information programs related to smoking and health;

(5) compile and make available information on State and local laws relating to the use and consumption of cigarettes; and

(6) undertake any other additional information and research activities which the Secretary determines necessary and appropriate to carry out this section.

(b)(1) To carry out the activities described in paragraphs (2) and (3) of subsection (a) there is established an Interagency Committee on Smoking and Health. The Committee shall be composed of—

Establishment.

(A) members appointed by the Secretary from appropriate institutes and agencies of the Department, which may include the National Cancer Institute, the National Heart, Lung, and Blood Institute, the National Institute of Child Health and Human Development, the National Institute on Drug Abuse, the Health Resources and Services Administration, and the Centers for Disease Control;

(B) at least one member appointed from the Federal Trade Commission, the Department of Education, the Department of Labor, and any other Federal agency designated by the Secretary, the appointment of whom shall be made by the head of the entity from which the member is appointed; and

(C) five members appointed by the Secretary from physicians and scientists who represent private entities involved in informing the public about the health effects of smoking.

The Secretary shall designate the chairman of the Committee.

(2) While away from their homes or regular places of business in the performance of services for the Committee, members of the Committee shall be allowed travel expenses, including per diem in lieu of subsistence, in the manner provided by sections 5702 and 5703 of title 5 of the United States Code.

(3) The Secretary shall make available to the Committee such staff, information, and other assistance as it may require to carry out its activities effectively.

(c) The Secretary shall transmit a report to Congress not later than January 1, 1985, and biennially thereafter which shall contain—

Report.

(1) an overview and assessment of Federal activities undertaken to inform the public of the health consequences of smoking and the extent of public knowledge of such consequences,

(2) a description of the Secretary's and Committee's activities under subsection (a),

(3) information regarding the activities of the private sector taken in response to the effects of smoking on health, and

(4) such recommendations as the Secretary may consider appropriate.

LABELS FOR CIGARETTES AND CIGARETTE ADVERTISING

Sec. 4. (a) Section 4 of the Federal Cigarette Labeling and Advertising Act (15 U.S.C. 1333) is amended to read as follows:

"LABELING"

"Sec. 4. (a)(1) It shall be unlawful for any person to manufacture, package, or import for sale or distribution within the United States any cigarettes the package of which fails to bear, in accordance with the requirements of this section, one of the following labels:

"SURGEON GENERAL'S WARNING: Smoking Causes Lung Cancer, Heart Disease, Emphysema, And May Complicate Pregnancy."
