Subject: publiccomment on federal register - this project is wasteful of tax dollars - american cannot afford these endless do nothing surveys - no budget of american tax dollars for this nothingness

this is a do nothing survey. it spends alot of money and does not help america one bit. it is time for cdc to focus more on research on health issues. this sociological stuff is not the province of the cdc. it is wasteful spending.

Subject: information request

Daniel,

Would you be able to send a copy of the draft package and materials for the data collection requirement with the FRN published on 10/6/2011 entitled Community-Based Surveillance of Supports for Healthy Eating and Active Living—New—National Center for Chronic Disease Prevention and Health Promotion (NCCDPHP), Centers for Disease Control and Prevention (CDC)?

Thank you.

Judy
