

## Land Border Form Changes and Justification

Same changes as Air with variation to accommodate Land conveyance differences, detailed below:

### Section 4:

- Removed 'Make/Model/Year' to reduce burden.
- Added 'Province' to 'State/country issued' to clarify question intent.
- Moved 'Attempted entry outside an official POE?:' and 'Contact information collected on conveyance passengers/driver(s)?:' to line above to consolidate space.

Section 4. Border Crossing Information
