

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 0970-0401)

TITLE OF INFORMATION COLLECTION: Interaction with ACF Website users to solicit feedback via comment box and email

PURPOSE:

Gather detailed feedback on ACF web content via a comment box that uses radio buttons to indicate which reasons content was/was not helpful.

ACF will create a system where website visitors can submit questions. We would collect user email addresses so offices will be able to respond to users via email, outside of the content management system. Popular questions and responses will be posted on the website FAQ interface. The office administrators will be able to order results by popularity and categorize questions by topic. Users will be able to search through the FAQs by keyword and browse by topic.

ACF will create an email signup for users who want automated updates on specific topics featured on the ACF main site.
